TABLE OF CONTENTS

Information on how to vote at the Special Meeting is discussed below.

Who can vote at the Special Meeting?

Only stockholders of record at the close of business on [•], 2022 will be entitled to vote at the Special Meeting. On the record date, there were [•] shares of the Company's common stock, par value \$0.0001 per share ("Common Stock") outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on [•], 2022, your shares were registered directly in your name with Canoo Inc.'s transfer agent, Continental Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote electronically during the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy via telephone or through the internet to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If, on [•], 2022, your shares were held not in your name, but rather in an account at a brokerage firm, bank or other similar organization, then you are the beneficial owner of shares held in "street name" and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Special Meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent regarding how to vote the shares in your account. You are also invited to attend the Special Meeting.

What if another matter is properly brought before the meeting?

Pursuant to the Company Bylaws, business transacted at any special meeting of stockholders will be limited to the purposes stated in the Notice of the Meeting.

How do I vote?

For each proposal, you may either vote "For" or "Against" or abstain from voting. **The Board of Directors recommends you vote "For" each of the proposals presented in this Proxy.**

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If on [•], 2022, your shares were registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote electronically during the Special Meeting or vote by proxy before the Special Meeting in the following ways:

1. via the Internet at [www.proxyvote.com];
2. by phone by calling 1-800-690-6903;
or
3. by signing and returning a proxy card.

Proxies submitted via the Internet or by telephone must be received by 11:59 p.m., Eastern Time, on [•].

Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the internet as instructed above to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a Notice containing voting instructions from that organization rather than from Canoo Inc. To vote *prior to the meeting*, simply follow the voting instructions in the Notice to ensure that your vote is

TABLE OF CONTENTS

counted. Alternatively, you may vote by telephone or over the internet as instructed by your broker or bank. To vote at the *Special Meeting*, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact that organization to request a proxy form.

Internet proxy voting will be provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of [•], 2022.

If I am a stockholder of record and I do not vote, or if I return a proxy card or otherwise vote without giving specific voting instructions, what happens?

If you are a stockholder of record and do not vote by completing your proxy card, through the internet or electronically during the Special Meeting, your shares will not be voted.

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted "For" each proposal presented in this Proxy Statement. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

If I am a beneficial owner of shares held in street name and I do not provide my broker or bank with voting instructions, what happens?

If you are a beneficial owner of shares held in street name and you do not instruct your broker, bank or other agent how to vote your shares, your broker, bank or other agent may still be able to vote your shares in its discretion. In this regard, under the rules of the New York Stock Exchange (NYSE), brokers, banks and other securities intermediaries that are subject to NYSE rules may use their discretion to vote your "uninstructed" shares with respect to matters considered to be "routine" under the NYSE rules, but not with respect to "non-routine" matters. In this regard, proposals 1, 2, 3, and 5 presented in this Proxy Statement are considered to be "non-routine" under NYSE rules meaning that your broker may not vote your shares on those proposals in the absence of your voting instructions.

What are "broker non-votes"?

As discussed above, when a beneficial owner of shares held in street name does not give voting instructions to his or her broker, bank or other securities intermediary holding his or her shares as to how to vote on matters deemed to be "non-routine" under NYSE rules, the broker, bank or other such agent cannot vote the shares. These un-voted shares are counted as "broker non-votes." Proposals 1, 2, 3 and 5 presented in this Proxy Statement are considered to be "non-routine" under NYSE rules and we therefore expect broker non-votes to exist in connection with those proposals. Proposal 4 is a routine vote and therefore we do not expect any broker non-votes for Proposal 4.

If you a beneficial owner of shares held in street name, and you do not plan to attend the meeting, in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.

We have retained Morrow Sodali LLC, to assist in the solicitation of proxies for a fee of \$12,000 plus reimbursement of certain disbursements and expenses.

What does it mean if I receive more than one set of proxy materials?

Please follow the voting instructions on each set of proxy materials or Notices to ensure that all of your shares are voted.

TABLE OF CONTENTS

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by phone or through the internet.

- To vote during the Special Meeting, if you are a stockholder of record as of the record date, follow the instructions at www.virtualshareholdermeeting.com/GOEV2023SM. You will need to enter the 16-digit Control Number found on your Notice of Internet Availability, or notice you receive or in the email sending you the Proxy Statement.

Your most current proxy card or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the voting power of the outstanding shares entitled to vote are present at the meeting in person or represented by proxy. On the record date, there were [•] shares outstanding and entitled to vote. **Thus, the holders of [•] shares must be present in person or represented by proxy at the meeting to have a quorum.**

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, either the chairperson of the meeting or the holders of a majority of shares present at the meeting or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the Special Meeting?

Preliminary voting results will be announced at the Special Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Special Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

When are stockholder proposals and director nominations due for next year's annual meeting?

Stockholders who intend to have a proposal considered for inclusion in our proxy materials for presentation at our annual meeting of stockholders to be held in 2023 (the "2023 Annual Meeting") pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), must submit the proposal in writing to the Company's Corporate Secretary at 15520 Highway 114, Justin, Texas 76247 by February 1, 2023.

If you wish to submit a proposal (including a director nomination) at the meeting that is not to be included in next year's proxy materials, you must do so by submitting your proposal in writing which must be received by the Corporate Secretary not earlier than the close of business on the 120th day and not later than the close of business on the 90th day prior to the anniversary of the preceding year's annual meeting of stockholders. Therefore, we must receive notice of such a proposal or nomination for the 2023 Annual Meeting no earlier than the close of business on March 14, 2023, and no later than the close of business on April 13, 2023. The notice must contain the information required by our Bylaws. In the event that the date of the 2023 Annual Meeting is

TABLE OF CONTENTS

not within 30 days before or after July 12, 2023, then our Corporate Secretary must receive such written notice not earlier than the close of business on the 120th day prior to the 2023 Annual Meeting and not later than the close of business on the later of the 90th day prior to 2023 Annual Meeting or the closing of business on the tenth (10th) day following the day on which public announcement of the date of such meeting is first made.

In addition to satisfying the requirements of our Bylaws, including the notice deadlines set forth above and therein, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees, other than the Company's nominees, must also comply with the additional requirements of Rule 14a-19 under the Exchange Act.

PROPOSAL 1

APPROVAL OF WALMART SHARE ISSUANCE

Background

On July 11, 2022, the Company entered into an Electric Vehicle Fleet Purchase Agreement (the “EV Fleet Purchase Agreement”) with Walmart Inc. (“Walmart”), pursuant to which, subject to certain acceptance and performance criteria, Walmart agreed to purchase at least 4,500 electric vehicles (“EVs”) manufactured by the Company, with an option to purchase up to an additional 5,500 EVs, for an agreed price per unit to be determined based on the model but capped at an agreed upon amount as set forth in the EV Fleet Purchase Agreement. The capped price will be guaranteed for the first 10,000 EVs purchased by Walmart. The EV Fleet Purchase Agreement (excluding any work order or purchase order as a part thereof) has a five-year term, unless earlier terminated.

In connection with the EV Fleet Purchase Agreement, the Company and Walmart entered into a Warrant Issuance Agreement (the “Warrant Agreement”) pursuant to which the Company issued to Walmart a warrant (the “Warrant”) to purchase an aggregate of 61,160,011 shares of Common Stock at an exercise price of \$2.15 per share. The Warrant has a term of ten years and is vested immediately with respect to 15,290,003 shares of Common Stock. Thereafter, the Warrant will vest quarterly in amounts proportionate with the net revenue realized by the Company and its affiliates from transactions with Walmart or its affiliates under the EV Fleet Purchase Agreement or enabled by any other agreement between the Company and Walmart, and any net revenue attributable to any products or services offered by Walmart or its affiliates related to the Company or its affiliates, until such net revenue equals \$300 million, at which time the Warrant will have vested fully. As of the quarter ended September 30, 2022, no additional vesting had occurred as a result of the revenue recognition criteria. As a result of the anti-dilution adjustments described below, the Warrant is currently exercisable for an aggregate of 61,244,279 shares of Common Stock at a per share exercise price of \$2.147042.

The Warrant prohibits the Company from issuing more than 53,852,492 shares of Common Stock (the “Walmart Exchange Cap”) unless the Company’s stockholders approve the issuance of such shares in accordance with applicable Nasdaq Rules (the “Walmart Stockholder Approval”). No portion of the Warrant (including any vested portion) is exercisable until the Company’s stockholders have held at least one vote on the Walmart Stockholder Approval. Under the Warrant Agreement, the Company is required to convene and hold a meeting of stockholders to consider and vote on the issuance of shares in excess of the Walmart Exchange Cap pursuant to the applicable Nasdaq Rules. Subject to the terms and conditions thereof, the Warrant may be exercised by Walmart at any time after the occurrence of such stockholder vote (and regardless of the outcome of such vote), but only to the extent vested, in whole or in part (subject to limited exceptions). If the Walmart Stockholder Approval is obtained, the Warrant will be exercisable for amounts in excess of 53,852,492 shares.

In the event Walmart Stockholder Approval is not obtained, any valid exercise of the Warrant for shares in excess of the Walmart Exchange Cap (such shares are referred to herein as “Excess Shares”) will be satisfied by the Company by means of a cash payment (the “Cash Redemption Obligation”). The Warrant provides that if (i) the Warrant vests and is exercised in full with respect to the 53,852,492 shares and (ii) the Walmart Stockholder Approval is not yet obtained with respect to the Excess Shares, in lieu of any Excess Shares which would have been issued to Walmart upon exercise of the Warrant, the Company is required to pay to Walmart an amount in cash equal to the product of: (i) the excess of (x) the 30-day VWAP per share as of the day immediately preceding the applicable exercise date and (y) the exercise price, times (ii) the number of Excess Shares that would have been issued at such applicable exercise date if stockholder approval had been obtained. Following such payment, the Company will cease to have further obligations in respect of the portion of the Warrant relating to such exercised Excess Shares. The Company will only incur the Cash Redemption Obligation if and when the Warrant has become validly vested and exercised with respect to an amount of shares equal to at least the Walmart Exchange Cap.

None of the securities issuable under the Warrant Agreement have been or will be registered under the Securities Act of 1933, as amended (the “Securities Act”). All such securities have been and will be offered and sold in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act. Pursuant to the Warrant Agreement, Walmart or its wholly-owned subsidiaries are entitled to request that the Company register the shares of Common Stock beneficially owned by Walmart or its wholly-owned subsidiaries on a long-form or short-form registration statement on one or more occasions in the future, which registrations may in

TABLE OF CONTENTS

certain circumstances be “shelf registrations.” Walmart or its wholly-owned subsidiaries will also be entitled to participate in certain of the Company’s registered offerings, subject to the restrictions in the Warrant Agreement. The Company will pay all fees and expenses in connection with Walmart’s exercise of these rights, except for underwriting discounts and commission and transfer taxes, if any.

The Warrant includes anti-dilution protection pursuant to which the number of shares of Common Stock to be issued upon exercise and the exercise price of the Warrant may be adjusted in the event the Company conducts certain issuances of Common Stock below the per share exercise price of \$2.15, subject to specific exceptions, including a qualified financing (as defined in the Warrant), a registered public offering, and “at-the-market” offerings. In connection with the \$10 million private placement of Common Stock we announced on November 9, 2022, the Warrant was adjusted, pursuant to its terms, to be exercisable for an aggregate of 61,244,279 shares and the per share exercise price was lowered to \$2.147042 (two dollars and 14.7042 cents per share). The adjustments do not affect the Walmart Exchange Cap.

Future stock issuances which are not otherwise exempt under the terms of the Warrant may trigger additional anti-dilution adjustments unless we are able to sell our shares or similar securities for at least \$2.15 per share. The anti-dilution provisions would result in additional shares being issuable to Walmart at a decreased exercise price, which will result in additional dilution to our stockholders. If stockholders approve this proposal and the anti-dilution protections are triggered, Walmart may be entitled to receive in excess of the 61,244,279 shares of Common Stock for which the Warrant is currently exercisable. If stockholders do not approve this proposal and the Walmart Exchange Cap remains in place, anti-dilution adjustments could cause an increase in the amount payable pursuant to the Company’s Cash Redemption Obligation described above.

The foregoing descriptions of the Warrant Agreement and the Warrant do not purport to be complete and are qualified in their entirety by reference to the complete texts of such documents, which are included as Annex A-1 and Annex A-2 to this Proxy Statement, respectively.

Reasons for Seeking Stockholder Approval

Our Common Stock is currently listed on the Nasdaq Global Select Market and, as such, we are subject to Nasdaq Marketplace Rules (the “Nasdaq Rules”). Nasdaq Listing Rules 5635 (b) and 5635(d) requires us to obtain stockholder approval prior to the sale, issuance or potential issuance of Common Stock (or securities convertible into or exercisable for Common Stock) in connection with a transaction other than a public offering at a price less than the “Minimum Price” which either alone or together with sales by officers, directors or substantial stockholders of the company equals 20% or more of the Common Stock or 20% or more of the voting power outstanding before the issuance. For Nasdaq purposes, “Minimum Price” means a price that is the lower of: (i) the Nasdaq Official Closing Price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement; or (ii) the average Nasdaq Official Closing Price of the Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement.

The Warrant exercise price of \$2.15 per share is lower than the Minimum Price applicable to the Warrant Agreement. Accordingly, stockholder approval is required to issue shares in excess of 53,852,492 shares underlying the Warrant. Stockholder approval of this Proposal 1 will constitute stockholder approval for purposes of Nasdaq Listing Rule 5635(d).

Our Board has determined that the EV Fleet Purchase Agreement, the Warrant Agreement, the Warrant and the transactions contemplated thereby are in the best interests of the Company and its stockholders. Therefore, we are seeking stockholder approval under this Proposal 1 to issue in excess of 53,852,492 shares of Common Stock to Walmart upon exercise of the Warrant.

Consequences of Non-Approval

If the Company fails to obtain the Walmart Stockholder Approval at the special meeting, the Company is required under the Warrant Agreement to continue seeking to obtain such approval at a meeting of the stockholders of the Company at least once each calendar year and within 13 months of the previous meeting of the stockholders of the Company at which stockholder approval was sought until stockholder approval is obtained or the Warrant is no longer outstanding.

TABLE OF CONTENTS

In addition, the Company may be required to pay amounts in respect of the Cash Redemption Obligation if the Warrant vests and is exercised with respect to a number of shares in excess of the Walmart Exchange Cap. The amount and timing of any payments depend on a number of factors, many of which are partially or totally out of our control, including the price of our Common Stock, the vesting of the Warrant pursuant to the revenue recognition criteria, and when and how Walmart chooses to exercise the Warrant to the extent it becomes exercisable. If we do not have sufficient cash on hand to pay the Cash Redemption Obligation if and when it becomes due, we may be required to raise additional capital.

Effect on Current Stockholders

The issuance of the Warrant and underlying shares of Common Stock under the Warrant Agreement, including the Excess Shares, would result in an increase in the number of shares of Common Stock outstanding, and our stockholders will incur dilution of their percentage ownership. The dilutive effect may be material to our current stockholders.

Required Vote and Recommendation of Board of Directors

Approval of Proposal 1 requires the affirmative vote of a majority of the votes cast on the Proposal. Abstentions and “broker non-votes,” if any, will have no effect on the outcome of this vote.

THE BOARD RECOMMENDS A VOTE “FOR” PROPOSAL 1

PROPOSALS 2 AND 3: THE YORKVILLE PROPOSALS

Overview of the Yorkville Proposals

We are asking shareholders to vote on two proposals relating to our transactions with entities affiliated with Yorkville Advisors: (i) Proposal 2, to approve the issuance of shares of Common Stock in excess of 48,043,111 shares to Yorkville (the “Yorkville Share Issuance Proposal”) and (ii) Proposal 3, to approve an amendment to our Pre-Paid Advance Facility with Yorkville to reduce the minimum price, or Floor Price, at which shares may be sold under such facility, from \$1.00 per share to \$0.50 per share (the “Yorkville Floor Price Proposal”). Set forth below is a description of our transactions with Yorkville and each proposal.

Background

Standby Equity Purchase Agreement

On May 10, 2022, we entered into a Standby Equity Purchase Agreement (the “SEPA”) with YA II PN, Ltd. (“Yorkville”). Pursuant to the SEPA, the Company had the right, but not the obligation, to sell to Yorkville up to \$250,000,000 of shares of Common Stock, at the Company’s request any time during the commitment period commencing on May 10, 2022. Each sale the Company requested under the SEPA (an “Advance”) was limited to a number of shares of Common Stock with an aggregate value of up to \$50,000,000. The shares would be purchased at 97.5% of the SEPA Market Price (as defined below) and would be subject to certain limitations, including that Yorkville could not purchase any shares that would result in it owning more than 4.99% of outstanding Common Stock at the time of an Advance (the “Ownership Limitation”) or receive an aggregate number of shares equal to or greater than 20.0% of outstanding Common Stock as of the date of the SEPA (the “Yorkville Exchange Cap”). The Yorkville Exchange Cap equals 48,043,111 shares. “Market Price” was defined in the SEPA as the lowest daily VWAP (as defined below) during each of the three consecutive trading days commencing on the trading day following the Company’s submission of an Advance notice to Yorkville (the “SEPA Market Price”). For purposes of the SEPA and the PPA (described below), “VWAP” means, for any trading day, the daily volume weighted average price of the Common Stock for such date on the Nasdaq Global Select Market during regular trading hours as reported by Bloomberg L.P.

We terminated the SEPA with Yorkville on August 26, 2022, and have no further monetary or share issuance obligations outstanding thereunder. However, for Nasdaq purposes, the 14,236,295 shares issued under the SEPA count towards the same Yorkville Exchange Cap as the Pre-Paid Advance Agreement described below.

Pre-Paid Advance Agreement

On July 20, 2022, we entered into a Pre-Paid Advance Agreement (as amended from time to time, “the PPA”), with Yorkville. Pursuant to the PPA, the Company may request advances of up to \$50,000,000 in cash from Yorkville (or such greater amount that the parties may mutually agree) (the “Pre-Paid Advance”), with an aggregate limitation on the Pre-Paid Advances of \$300,000,000. Such Pre-Paid Advances will be offset upon the issuance of shares of Common Stock to Yorkville at a price per share equal to the lower of (a) 120% of the VWAP of the Common Stock on the Nasdaq Global Select Market as of the trading day immediately prior to the date of the disbursement of the Pre-Paid Advance (the “Fixed Price”), or (b) 95% of the VWAP of the Common Stock on the Nasdaq Global Select Market as of the trading day immediately preceding the date on which Yorkville provides the purchase notice to the Company (the “Variable Price” and the lower of the Fixed Price and the Variable Price shall be referred to as the “Purchase Price”); however, in no event shall the Purchase Price be less than \$1.00 per share (the “Floor Price”). Share issuances under the PPA are also subject to the Yorkville Exchange Cap.

The SEPA and PPA provide that (a) the Yorkville Exchange Cap will not apply if the Company’s stockholders have approved issuances in excess of the Yorkville Exchange Cap in accordance with the rules of the Nasdaq Global Select Market, and (b) as to any advance, if the purchase price of shares in respect of such advance equals or exceeds \$3.81 per share (which represents the Nasdaq Official Closing Price on the trading day immediately preceding the date on which the SEPA was entered into).

As of November 14, 2022, we have offered and sold to Yorkville an aggregate of 48,042,221 shares of our Common Stock which have counted against the Yorkville Exchange Cap, consisting of 14,236,295 shares sold under the SEPA and 33,805,926 shares sold under the PPA. This number represents substantially all of the shares

TABLE OF CONTENTS

that were available to be issued to Yorkville under the Yorkville Exchange Cap. In addition, we have issued 659,200 shares to Yorkville under the PPA which are not counted against the Yorkville Exchange Cap because they were sold at prices exceeding \$3.81.

We have agreed to use the proceeds from the sale of shares to Yorkville under the SEPA or PPA for general corporate purposes, which may include, but are not limited to, funding working capital, capital expenditures, operating expenses and the selective pursuit of business development opportunities, including to expand our current business through acquisitions of, or investments in, other businesses, products or technologies, or, if different, in a manner consistent with the application thereof described in the prospectus included in any registration statement (and any post-effective amendment thereto) and any prospectus supplement thereto pursuant to which such shares are registered with the SEC.

The Company is subject to additional restrictions in the PPA on future financing transactions meeting the definition of “Variable Rate Transaction,” which shall mean a transaction in which the Company (i) issues or sells any equity or debt securities that are convertible into, exchangeable or exercisable for, or include the right to receive additional shares of Common Stock either (A) at a conversion price, exercise price, exchange rate or other price that is based upon and/or varies with the trading prices of or quotations for the shares of Common Stock at any time after the initial issuance of such equity or debt securities, or (B) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such equity or debt security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the shares of Common Stock (including, without limitation, any “full ratchet” or “weighted average” anti-dilution provisions, but not including any standard anti-dilution protection for any reorganization, recapitalization, non-cash dividend, stock split or other similar transaction) or (ii) issues or sells any equity or debt securities either (A) at a price that is subject to being reset at some future date after the initial issuance of such debt or equity security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the shares of Common Stock (other than standard anti-dilution protection for any reorganization, recapitalization, non-cash dividend, stock split or other similar transaction), or (B) that are subject to or contain any put, call, redemption, buy-back, price-reset or other similar provision or mechanism (including, without limitation, a “Black-Scholes” put or call right, other than in connection with a “fundamental transaction”) that provides for the issuance of additional equity securities of the Company or the payment of cash by the Company. The Company is permitted to enter into “at the market offerings” or other continuous offerings or similar offerings of shares of Common Stock with a registered broker-dealer, whereby the Company may sell shares of Common Stock at a future determined price; however, the Company shall not be permitted to execute any transactions under such agreements unless (i) the the VWAP on the applicable date of determination is below \$1.00, or (ii) there is no balance outstanding under all prior Pre-Paid Advances.

As permitted pursuant to the PPA, on August 8, 2022, the Company entered into an Equity Distribution Agreement (as supplemented by that certain side letter also entered into among the parties on August 8, 2022, the “Sales Agreement”) with Evercore Group L.L.C. and H.C. Wainwright & Co., LLC (together, the “agents”) to sell Common Stock, from time to time, through an “at the market offering” program under which the agents will act as sales agents. On October 5, 2022, the Company entered into a Side Letter to the PPA with Yorkville (the “PPA Side Letter”), pursuant to which the parties agreed that, notwithstanding the Company’s balance outstanding under the PPA, the Company shall be permitted to submit sales orders, and consummate sales pursuant to such orders, in respect of shares of Common Stock under the Sales Agreement beginning on October 5, 2022 for so long as the Company pays to Yorkville the sum of \$1.0 million per calendar week to be applied toward the Company’s then-outstanding balance of \$10,000,000 under prior Pre-Paid Advances. As of [•], 2022, we have offered and sold an aggregate of [•] shares of our Common Stock pursuant to the Sales Agreement.

November Supplemental Letter Agreement to Pre-Paid Advance Agreement

On November 9, 2022, the Company entered into a Supplemental Agreement (the “Supplemental Agreement”) with Yorkville to the PPA. Pursuant to the Supplemental Agreement, Yorkville agreed to advance \$21.3 million to the Company (the “Supplemental Advance”) and waive certain terms and conditions set forth in the PPA with respect to such Supplemental Advance, including the requirement that the Company shall have the capacity to issue shares of Common Stock with a market value equal to at least 150% of the Supplemental Advance without breaching the Yorkville Exchange Cap.

TABLE OF CONTENTS

The Supplemental Agreement requires that the Company call and hold an annual or special meeting of its stockholders on or before February 1, 2023 for the purposes of: (i) obtaining the consent of the stockholders of the Company pursuant to Nasdaq Rule 5635(d) for the issuance of all shares of its Common Stock that have been, and could be, issued pursuant to the PPA and the Supplemental Agreement and (ii) obtaining the consent of the stockholders to amend the PPA to provide for a Floor Price of \$0.50 per share.

The Supplemental Agreement provides that solely with respect to the Supplemental Advance, the Purchase Price will be equal to the lower of (a) 110% of the daily VWAP of the Common Stock on Nasdaq as of November 9, 2022 (the “Fixed Price”), or (b) 95% of the lowest daily VWAP of the Common Stock on Nasdaq during the five (5) trading days immediately preceding each purchase notice date (the “Variable Price” and the lower of the Fixed Price and the Variable Price shall be referred to as the “Purchase Price”); however, in no event shall the Purchase Price be less than the Floor Price. Further, the Company agreed to pay Yorkville a commitment fee of \$1,087,000 in connection with the Supplemental Agreement, which was be deducted from the proceeds of the Supplemental Advance.

Pursuant to the Supplemental Agreement, Yorkville agreed to waive the Company’s weekly payment obligation imposed under the PPA Side Letter, provided that the Company will pay the full outstanding balance of its prior Pre-Paid Advance on November 17, 2022. The Company repaid the outstanding prior Pre-Paid Advance on November 11, 2022.

Upon (a) an Event of Default (as defined in the PPA), (b) the Company’s failure to observe or perform any material covenant, agreement or warranty contained in the PPA, the October 2022 Letter Agreement, or the Supplemental Agreement (including with respect to the Company’s obligation to seek Stockholder Approval on or before February 1, 2023), or any other agreement between the parties, or (c) if, any time after February 1, 2023, and from time to time thereafter, (i) the VWAP is less than the Floor Price for at least five trading days during a period of seven consecutive trading days, or (ii) the Company has issued substantially all of the Common Stock available under the Yorkville Exchange Cap (the last such day of each such occurrence, a “Triggering Date”), then the Company shall repay the full unpaid principal amount outstanding under the Supplemental Advance, plus the Redemption Premium (as defined in the PPA) in respect of such amount, and all accrued and unpaid interest in respect of the Supplemental Advance on the 10th calendar day after the Triggering Date.

The foregoing descriptions of the SEPA, the PPA, the PPA Side Letter and the Supplemental Agreement do not purport to be complete and are qualified by reference to the complete text of such documents, which are attached to this Proxy Statement as Annex B-1, Annex B-2, Annex B-3 and Annex B-4, respectively.

PROPOSAL 2

YORKVILLE SHARE ISSUANCE

We are seeking approval of the issuance of shares to Yorkville in excess of the Yorkville Exchange Cap. As of November 11, 2022, we had issued 48,042,221 shares of Common Stock to Yorkville at prices less than \$3.81 per share, representing substantially all shares permitted to be issued without exceeding the Yorkville Exchange Cap.

Although the Yorkville Share Issuance Proposal is not conditioned on the approval of any of the other proposals set forth in this Proxy Statement, the outcome of certain of the other proposals may have an impact on our ability to utilize the PPA in the future. If the Yorkville Floor Price Proposal is not approved, we will be unable to utilize the PPA if the sales price of our Common Stock under the PPA would be less than the current Floor Price of \$1.00 per share. If the Share Authorization Proposal is not approved, we may not have sufficient authorized but unissued shares to satisfy our obligations to Yorkville, even if the Yorkville Exchange Cap is removed. None of the other proposals are conditioned upon the approval of the Yorkville Share Issuance Proposal.

Reasons for Seeking Stockholder Approval

As discussed above under “Proposal 1—Reasons for Seeking Stockholder Approval” Nasdaq Listing Rule 5635(d) requires us to obtain stockholder approval prior to the sale, issuance or potential issuance of Common Stock (or securities convertible into or exercisable for Common Stock) in connection with a transaction other than a public offering at a price less than the “Minimum Price” which either alone or together with sales by officers, directors or substantial stockholders of the company equals 20% or more of the Common Stock or 20% or more of the voting power outstanding before the issuance. Based on the signing of the SEPA on May 10, 2022, the applicable “Minimum Price” is \$3.81 per share. The Yorkville Exchange Cap applies to shares issued under both the SEPA and the PPA, and accordingly, we are seeking a single stockholder approval with respect to all shares previously issued under both facilities and future shares to be issued under the PPA. Stockholder approval of this Proposal will constitute stockholder approval for purposes of Nasdaq Listing Rule 5635(d).

We are also required to seek stockholder approval pursuant to the terms of the Supplemental Agreement.

Our Board has determined that the SEPA and PPA and our ability to issue the shares of Common Stock thereunder in excess of the Yorkville Exchange Cap are in the best interests of the Company and its stockholders because the ability to sell shares of Common Stock to Yorkville provides us with a reliable source of capital for general corporate purposes, which may include, but are not limited to, funding working capital, capital expenditures, operating expenses and the selective pursuit of business development opportunities, including continued product or technology investment.

We cannot predict the price of our Common Stock at any future date, and therefore cannot predict the number of shares of Common Stock to be issued under the PPA or whether the applicable price for any Pre-Paid Advance will be greater than the Minimum Price under the Nasdaq Rules.

Therefore, we are seeking stockholder approval under this Proposal 2 to issue shares of Common Stock in excess of the Yorkville Exchange Cap, if necessary, to Yorkville under the terms of the SEPA and PPA. The failure of the Company’s stockholders to approve this Proposal 2 will prevent the Company from selling, at less than the Minimum Price, shares of Common Stock to Yorkville in excess of the Yorkville Exchange Cap. However, it would be possible to sell shares to Yorkville in excess of the Yorkville Exchange Cap if the sale of shares covered by any Pre-Paid Advance is equal to or greater than the Minimum Price for such Advance. As of the close of business on [•], 2022, the price of our Common Stock was \$[•] per share.

Consequences of Non-Approval

As previously disclosed, as of September 30, 2022, the Company concluded that there was substantial doubt about its ability to continue to operate as a going concern for the 12 months following the issuance of its consolidated financial statements. The ability of the Company to continue as a going concern is dependent upon the Company’s ability to access additional sources of capital, including, but not limited to equity and/or debt financings and government loans or grants. If the Company is unable to raise additional capital, the Company may have to significantly delay, scale back or discontinue the development or commercialization of its product and/or consider a sale or other strategic transaction.

TABLE OF CONTENTS

If we do not receive the Yorkville Share Issuance Approval, we will be required to repay the Supplemental Advance Amounts, and any other amounts we may owe to Yorkville, in cash, unless we are able to sell shares to Yorkville at a price greater than the minimum price.

Accordingly, our Board believes that providing the Company the flexibility to issue shares of Common Stock in excess of the Yorkville Exchange Cap is advisable and in the best interests of the Company and our stockholders.

Effect on Current Stockholders

The issuance of shares of Common Stock under the SEPA and PPA (including any such shares issued below the Minimum Price that are the subject of this Proposal 2) would result in an increase in the number of shares of Common Stock outstanding, and our stockholders will incur dilution of their percentage ownership. Because the number of shares of Common Stock that may be issued to Yorkville pursuant to the SEPA and PPA is determined based on the price at the time of issuance, the exact magnitude of the dilutive effect cannot be conclusively determined. However, the dilutive effect may be material to our current stockholders.

Required Vote and Recommendation of Board of Directors

Approval of Proposal 2 requires the affirmative vote of a majority of the votes cast on the Proposal. Abstentions and “broker non-votes,” if any, will have no effect on the outcome of this vote.

THE BOARD RECOMMENDS A VOTE “FOR” PROPOSAL 2

PROPOSAL 3

YORKVILLE FLOOR PRICE PROPOSAL

We are asking stockholders to vote on an amendment to the PPA to lower the Floor Price from \$1.00 to \$0.50. Changing the Floor Price would permit us to sell shares under the Yorkville facility at prices below \$1.00 if circumstances permit, but in no event less than \$0.50. The Yorkville Floor Price Proposal is not conditioned on the approval of any other proposal; however, because we issued a number of shares to Yorkville equal to the Yorkville Exchange Cap, we will be unable to issue additional shares to Yorkville at any price below the \$3.81 Minimum Price unless the Yorkville Share Issuance Proposal is approved.

Reasons for Seeking Stockholder Approval

The Floor Price is intended to protect stockholders from the potential dilutive effects of sales under the PPA by limiting the price at which shares may be sold and thereby limiting the downward price pressure that the PPA could exert on the price of our Common Stock in unfavorable trading conditions. The current Floor Price was fixed at a reasonable discount to the trading price of our Common Stock at the time the PPA was originally entered executed. We believe the Floor Price is most effective at limiting downward movements in the stock when it cannot be waived or modified without stockholder approval. Accordingly, we are asking our stockholders to approve an amendment to the PPA to lower the Floor Price from \$1.00 to \$0.50.

Our Board has determined that it is in the best interests of the Company to be able to sell shares under the PPA below the current Floor Price. As of [•], 2022, our stock price was [•], or approximately [•]% higher than the current Floor Price. However, our stock price has in the past been, and may in the future be, volatile, and there can be no assurance that it will remain above the Floor Price. Our Board believes that the Company would benefit from having the flexibility to continue using the PPA as a source of capital even in circumstances where the share price may be below \$1.00 per share.

If the Yorkville Floor Price Proposal is approved, there is no assurance that we will sell shares under the PPA at prices less than \$1.00, or at all.

Consequences of Non-Approval

As previously disclosed, as of September 30, 2022, the Company concluded that there was substantial doubt about its ability to continue to operate as a going concern for the 12 months following the issuance of its consolidated financial statements. The ability of the Company to continue as a going concern is dependent upon the Company's ability to access additional sources of capital, including, but not limited to equity and/or debt financings and government loans or grants. If the price of our Common Stock falls below the Floor Price, the Company may be unable to raise additional capital on terms similar to the PPA, or at all, which could have an adverse impact on our operations and business plans. If the Yorkville Floor Price Proposal is not approved, we may continue to sell shares under the PPA at prices equal to or greater than the current Floor Price of \$1.00, provided that the Yorkville Share Issuance Proposal has been approved and all other applicable PPA conditions are satisfied.

If stockholders do not approve Yorkville Floor Price Proposal, we do not intend to amend or waive the Floor Price requirement in the PPA. We may, however, enter into new financing arrangements with Yorkville or other parties, if our Board determines that these arrangements are in the best interest of the Company and our stockholders.

Effect on Current Stockholders

The issuance of shares of Common Stock under the PPA would result in an increase in the number of shares of Common Stock outstanding, and our stockholders will incur dilution of their percentage ownership. The proposed new Floor Price will increase the range of prices at which shares can be sold pursuant to the PPA, which could result in additional dilution to our existing stockholders. Because the number of shares of Common Stock that may be issued to Yorkville pursuant to the PPA is determined based on the price at the time of issuance, the exact magnitude of the dilutive effect cannot be conclusively determined. However, the dilutive effect may be material to our current stockholders.

Required Vote and Recommendation of Board of Directors

Approval of Proposal 3 requires the affirmative vote of a majority of the votes cast on the Proposal. Abstentions and “broker non-votes,” if any, will have no effect on the outcome of this vote.

THE BOARD RECOMMENDS A VOTE “FOR” PROPOSAL 3

PROPOSAL 4

SHARE AUTHORIZATION PROPOSAL

After careful consideration, the Board has adopted, declared advisable and directed that there be submitted to the stockholders at the Special Meeting a proposed amendment of the Company's Second Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation") to increase the number of shares of authorized Common Stock from 500,000,000 to 1,000,000,000.

Background

Article IV of the Certificate of Incorporation currently authorizes the Company to issue up to 500,000,000 shares of Common Stock and 10,000,000 shares of preferred stock of the Company, par value \$0.0001 per share ("Preferred Stock"). As of [•], 2022, [•] shares of Common Stock were issued, including [•] held as treasury shares, with warrants outstanding to purchase up to an aggregate of [•] shares of Common Stock, options and restricted stock units outstanding to acquire up to an aggregate of [•] shares of Common Stock, approximately [•] shares of Common Stock reserved for possible future issuance pursuant to the remaining authorized and unissued stock awards under the Canoo Inc. 2020 Equity Incentive Plan and approximately [•] shares of Common Stock available for purchase by employees pursuant to the Canoo Inc. 2020 Employee Stock Purchase Plan. An additional [•] shares are required to be reserved for future issuance under the PPA. As a result, approximately [•] authorized shares remain available for issuance for future purposes. The adoption of the proposed Authorized Shares Amendment would provide for an additional 500,000,000 authorized shares of Common Stock for future issuance, which would bring the aggregate total of authorized shares of capital stock to 1,010,000,000, composed of 1,000,000,000 shares of Common Stock and 10,000,000 shares of Preferred Stock.

The Authorized Shares Amendment amends and restates paragraph A of Article IV of the Certificate of Incorporation in its entirety to read as follows:

The Company is authorized to issue two classes of stock to be designated, respectively, "Common Stock" and "Preferred Stock." The total number of shares which the Company is authorized to issue is 1,010,000,000 shares. 1,000,000,000 shares shall be Common Stock, each having a par value of one-hundredth of one cent (\$0.0001). 10,000,000 shares shall be Preferred Stock, each having a par value of one-hundredth of one cent (\$0.0001).

Reasons for Seeking Stockholder Approval

As of [•], 2022, the Company had approximately [•]% of the authorized shares of Common Stock unissued and unreserved for issuance. The additional shares may be used for various purposes without further stockholder approval (except as required by law or the Nasdaq Rules). These purposes may include: (i) raising capital, if the Company has an appropriate opportunity, through offerings of Common Stock or securities that are convertible into Common Stock, including sales of Common Stock pursuant to the PPA described above in Proposal 2; (ii) exchanging Common Stock or securities that are convertible into Common Stock for other outstanding securities; (iii) providing equity incentives to employees, officers, directors, customers, consultants, or advisors; (iv) expanding the Company's business through the acquisition of other businesses or assets; (v) stock splits, dividends, and similar transactions; (vi) debt or equity restructuring or refinancing transactions; and (vii) other corporate purposes.

The Board has not proposed the increase in the number of authorized shares of Common Stock with the intent of preventing or discouraging any actual or threatened tender offers or takeover attempts of the Company and the Board is not currently aware of any attempt or plan to acquire control of the Company. Rather, the Authorized Shares Amendment has been prompted by business and financial considerations, as set out above, and it is the intended purpose of the Authorized Shares Amendment to provide greater flexibility to the Board in considering and planning for our potential future corporate needs.

Rights of Additional Authorized Shares

The additional authorized shares contemplated by the Authorized Shares Amendment would be a part of the existing class of our Common Stock and, if issued, would have the same rights and privileges as the shares of our Common Stock presently issued and outstanding. Holders of shares of our Common Stock (solely in their

TABLE OF CONTENTS

capacity as holders of shares of our Common Stock) have no preemptive rights or rights to convert their shares of our Common Stock into any other securities. Accordingly, should the Board elect to issue additional shares of our Common Stock, existing holders of shares of our Common Stock would not have any preferential rights to purchase the shares.

Effect on Current Stockholders

Future issuance of Common Stock or securities convertible into our Common Stock could have a dilutive effect on the earnings per share, book value per share, voting power and percentage interest of holdings of current stockholders. In addition, the availability of additional shares of our Common Stock for issuance could, under certain circumstances, discourage or make more difficult efforts to obtain control of the Company under a possible take-over scenario. The Board is not aware of any attempt, or contemplated attempt, to acquire control of the Company. This Proposal is not being presented with the intent that it be used to prevent or discourage any acquisition attempt, but nothing would prevent the Board from taking any appropriate actions not inconsistent with its fiduciary duties. The Authorized Shares Amendment does not affect the number of shares or rights of preferred stock authorized.

Effectiveness of the Amendment

If this Proposal is approved by the Company's stockholders, the Authorized Shares Amendment will become effective upon the filing of a Certificate of Amendment to the Certificate of Incorporation with the Delaware Secretary of State, which the Company intends to do promptly following the Special Meeting. If the Proposal is not approved by the Company's stockholders, the Authorized Shares Amendment will not be implemented, and the Company's capitalization will remain as it is currently.

Required Vote and Recommendation of Board of Directors

Approval of Proposal 4 requires the affirmative vote of the holders of a majority of outstanding shares of our Common Stock as of the Record Date to approve the amendment to the Certificate of Incorporation to increase the authorized shares of Common Stock. Abstentions and broker non-votes, if any, will have the effect of votes "AGAINST" the Proposal. Proposal 4 is considered "routine", and thus we do not expect any broker non-votes for this Proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 4.

PROPOSAL 5

ADJOURNMENT PROPOSAL

Overview

In the Adjournment Proposal, we are asking stockholders to authorize the holder of any proxy solicited by the Board to vote in favor of adjourning the Special Meeting or any adjournment or postponement thereof. If our stockholders approve this proposal, we could adjourn the Special Meeting, and any adjourned session of the Special Meeting, to use the additional time to solicit additional proxies in favor of the the other proposals contained in this Proxy Statement.

Required Vote and Recommendation of Board of Directors

Approval of Proposal 5 requires the affirmative vote of a majority of the votes cast on the Proposal. Abstentions and “broker non-votes,” if any, will have no effect on the outcome of this vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL 5.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND
MANAGEMENT AND RELATED STOCKHOLDER MATTERS**

The following table sets forth information known to us regarding the beneficial ownership of the common stock as of November 15, 2022:

- each person who is known by us to be the beneficial owner of more than 5% of the outstanding shares of the common stock;
- each current named executive officer and director of the Company; and
- all current executive officers and directors of the Company, as a group.

Beneficial ownership is determined according to the rules of the SEC, which generally provides that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power over that security, including options and warrants that are currently exercisable or exercisable within 60 days.

The beneficial ownership percentages set forth in the table below are based on 330,097,747 shares of common stock issued and outstanding as of November 15, 2022 and do not take into account the issuance of any shares of common stock upon the exercise of warrants to purchase up to 23,755,069 shares of common stock that remain outstanding.

Common stock subject to options or restricted stock units (“RSUs”) that are currently exercisable or exercisable or will vest within 60 days of November 15, 2022 are deemed to be outstanding and beneficially owned by the person holding the options or RSUs. These shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person. Except as disclosed in the footnotes to this table and subject to applicable community property laws, we believe that each shareholder identified in the table possesses sole voting and investment power over all common stock shown as beneficially owned by the shareholder.

Unless otherwise noted in the footnotes to the following table, and subject to applicable community property laws, the persons and entities named in the table have sole voting and investment power with respect to their beneficially owned common stock.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Special Meeting materials with respect to two or more stockholders sharing the same address by delivering a single set of Special Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Canoo Inc. stockholders will be “householding” the Company’s proxy materials. A single set of Special Meeting materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate set of Special Meeting materials, please notify your broker or the Company. The Company undertakes to deliver promptly upon written or oral request a separate copy of this Proxy Statement to a stockholder affected by “householding.” Direct your written request to Canoo Inc., Attn: Corporate Secretary, 15520 Highway 114, Justin, Texas 76247, or oral request to [•]. Stockholders who currently receive multiple copies of the Special Meeting materials at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER MATTERS

In accordance with the Bylaws, the business transacted at the Special Meeting will be limited to the matters set forth in the Notice of Special Meeting of Stockholders and this Proxy Statement.

ARTICLE III

COVENANTS

3.1 Efforts.

(a) Subject to the terms and conditions hereof (including the remainder of this Section 3.1) and the other Transaction Documents, each party shall use its commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or desirable under Applicable Law to carry out the provisions hereof and thereof and give effect to the transactions contemplated hereby and thereby. In furtherance and not in limitation of the foregoing, each of the parties shall (i) subject to the provisions of this Section 3.1, use its commercially reasonable efforts to obtain as promptly as reasonably practicable and advisable (as determined in good faith by Walmart after consultation with the Company in accordance with the first sentence of Section 3.1(d)) all exemptions, authorizations, consents or approvals from, and to make all filings with and to give all notices to, all third parties, including any Governmental Entities, required in connection with the transactions contemplated by this Agreement and the other Transaction Documents, which, for the avoidance of doubt, shall include providing, as promptly as reasonably practicable and advisable, such information to any Governmental Entity as such Governmental Entity may request in connection therewith, and (ii) cooperate fully with the other party in promptly seeking to obtain all such exemptions, authorizations, consents or approvals and to make all such filings and give such notices.

(b) Without limiting the generality of the foregoing, and only to the extent required by Applicable Law (including, for the avoidance of doubt, any Antitrust Law), (i) as promptly as reasonably practicable after written notice from Walmart, and in any event no later than in accordance with established regulatory timeframes, the parties shall file any Notification and Report Forms required under the HSR Act with the Federal Trade Commission and the United States Department of Justice (the date on which all such Notification and Report Forms required under the HSR Act have been initially filed, the "HSR Filing Date if required") and (ii) as promptly as reasonably practicable after written notice from Walmart, file, make or give, as applicable, all other filings, requests or notices required under any other Antitrust Laws, in each case with respect to the exercise of the Warrant Shares (the "Initial Filing Transaction") (the filings, requests and notices described in the foregoing clauses (i) and (ii), collectively, the "Initial Antitrust Filings"). Walmart shall be responsible for payment of all filing fees associated with the HSR Act and any other Antitrust Laws. In addition, following the receipt of the Initial Antitrust Clearance, to the extent required by Applicable Law (including, for the avoidance of doubt, any Antitrust Law) in connection with any further exercise of Warrant Shares (in each case, whether in full or in part), the parties shall file, make or give, as applicable, as promptly as reasonably practicable and advisable (as determined in good faith by Walmart after consultation with the Company in accordance with the first sentence of Section 3.1(d)), any further required filings, requests or notices required under any Antitrust Laws, including the HSR Act (collectively, the "Other Antitrust Filings"). Without limiting the generality of the foregoing, each party shall supply as promptly as reasonably practicable to the appropriate Governmental Entities any information

and documentary material that may be required pursuant to the HSR Act or any other Antitrust Laws. For purposes of this Agreement, the term “Initial Antitrust Clearance” as of any time means (x) prior to such time, the expiration or termination of the waiting period under the HSR Act and the receipt of all exemptions, authorizations, consents or approvals, the making of all filings and the giving of all notices, and the expiration of all waiting periods, pursuant to any other Antitrust Laws, in each case to the extent required with respect to the Initial Filing Transaction, and (y) the absence at such time of any Applicable Law or Order issued by any court of competent jurisdiction or other legal restraint or prohibition under any Antitrust Law, in each case that has the effect of preventing the consummation of the Initial Filing Transaction.

(c) Subject to the terms and conditions hereof (including the remainder of this Section 3.1) and the other Transaction Documents, and only to the extent required under the Antitrust Laws, each of the parties shall use its commercially reasonable efforts to avoid or eliminate each and every impediment under any Antitrust Laws that may be asserted by any Governmental Entity, so as to enable the parties to give effect to the transactions contemplated hereby and by the other Transaction Documents in accordance with the terms hereof and thereof; provided, that notwithstanding anything to the contrary contained herein or in any of the other Transaction Documents, nothing in this Section 3.1 shall require, or be construed to require, any party or any of its Affiliates to agree to (and no party or any of its Affiliates shall agree to, without the prior written consent of the other parties): (i) sell, hold separate, divest, discontinue or limit (or any conditions relating to, or changes or restrictions in, the operation of) any assets, businesses or interests of it or its Affiliates (irrespective of whether or not such assets, businesses or interests are related to, are the subject matter of or could be affected by the transactions contemplated by the Transaction Documents); (ii) without limiting clause (i) in any respect, any conditions relating to, or changes or restrictions in, the operations of any such assets, businesses or interests that would reasonably be expected to adversely impact (x) the business of, or the financial, business or strategic benefits of the transactions contemplated hereby or by any of the other Transaction Documents to it or its Affiliates, or (y) any other assets, businesses or interests of it or its Affiliates; or (iii) without limiting clause (i) in any respect, any modification or waiver of the terms and conditions of this Agreement or any of the other Transaction Documents that would reasonably be expected to adversely impact (x) the business of, or financial, business or strategic benefits of the transactions contemplated hereby or by any of the other Transaction Documents to it or its Affiliates, or (y) any other assets, businesses or interests of it or its Affiliates.

(d) The parties anticipate that HSR will not apply to the issuance of Warrants, but may apply to the exercise of those Warrants, and at such time, if applicable Walmart shall have the principal responsibility for devising and implementing the strategy (including with respect to the timing of filings) for obtaining any exemptions, authorizations, consents or approvals required under the HSR Act or any other Antitrust Laws in connection with the transactions contemplated hereby and by the other Transaction Documents; provided, however, that Walmart shall consult in advance with the Company and in good faith take the Company’s views into account regarding the overall antitrust strategy. Each of the parties shall promptly notify the other party of, and if in writing furnish the other with copies of (or, in the case of oral communications, advise the other of), any substantive communication that it or any of its Affiliates receives from any Governmental Entity, whether written or oral, relating to the matters that are the subject of this Agreement or any of the other Transaction Documents and, to the extent reasonably practicable, permit the other party to review in advance any proposed substantive written communication by such party to any Governmental Entity and consider in good faith the other party’s reasonable comments on any such proposed substantive written communications prior to their submission. No party shall, and each party shall cause its Affiliates not to, participate or agree to participate in any substantive meeting or communication with any Governmental Entity in respect of the subject matter of the Transaction Documents, including on a “no names” or hypothetical basis, unless (to the extent legally permissible) it or they consult with the other party in advance and, to the extent practicable and permitted by such Governmental Entity, give the other party the opportunity to jointly prepare for, attend and participate in such meeting or communication. The parties shall (and shall cause their Affiliates to) coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other party may reasonably request in connection with the matters described in this Section 3.1, including (x) furnishing to each other all information reasonably requested to determine the jurisdictions in which a filing or submission under any Antitrust Law is required or advisable, (y) furnishing to each other all information required for any filing or submission under any

Antitrust Law and (z) keeping each other reasonably informed with respect to the status of each exemption, authorization, consent, approval, filing and notice under any Antitrust Law, in each case, in connection with the matters that are the subject of this Agreement or any of the other Transaction Documents. The parties shall to the extent legally permissible provide each other with copies of all substantive correspondence, filings or communications between them or any of their Affiliates or Representatives, on the one hand, and any Governmental Entity or members of its staff, on the other hand, relating to the matters that are the subject of this Agreement or any of the other Transaction Documents; provided that such material may be redacted as necessary to (1) comply with contractual arrangements, (2) address good faith legal privilege or confidentiality concerns and (3) comply with Applicable Law.

(e) Subject to the other provisions of this Agreement, including in this Section, in the event that any arbitral, administrative, judicial or analogous action, claim or proceeding is instituted (or threatened to be instituted) by a Governmental Entity or any other party challenging the transactions contemplated hereby or by any of the other Transaction Documents ("Transaction Litigation"), neither party shall be required to contest and resist any such Transaction Litigation or to seek to have vacated, lifted, reversed or overturned any judgment, ruling, order, writ, injunction or decree, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation or implementation of the transactions contemplated hereby or by any of the other Transaction Documents. Each party shall keep the other party reasonably informed with respect to any Transaction Litigation unless doing so would reasonably be likely to jeopardize any privilege of such party regarding any such Transaction Litigation (subject to such party using commercially reasonable efforts to, and cooperating in good faith with the other party in, developing and implementing reasonable alternative arrangements to provide such other party with such information). Subject to the immediately preceding sentence, each party shall promptly advise the other party orally and in writing in connection with, and shall consult with each other with respect to, any Transaction Litigation and shall in good faith give consideration to each other's advice with respect to such Transaction Litigation.

(f) As promptly as practicable following the date hereof, the Company shall adopt such amendments and take such further actions and do or cause to be done all things necessary, proper or advisable under Applicable Law, to prevent the execution and delivery of the Transaction Documents and the consummation of the transactions contemplated thereby from constituting a "change in control," "change of control" or other similar term under any Company Benefit Plan.

(g) Notwithstanding anything herein to the contrary, from and after the earlier of (i) the exercise of the Warrant in full and (ii) the expiration, termination or cancellation of the Warrant without the Warrant having been exercised in full, no party shall have any further obligations under this Section 3.1; provided, that this Section 3.1(g) shall in no way relieve any party with respect to any breach by such party of this Section 3.1 prior to such time.

3.2 Stockholder Approval.

(a) To the extent required, as promptly as reasonably practicable following the date of this Agreement, and in any event no later than the Company's 2023 annual meeting of the stockholders of the Company (the "Company Stockholders"), the Company shall convene and hold a meeting of the Company Stockholders (the "Company Stockholder Meeting") to consider and vote on the issuance of the Warrant in respect of any Warrant Shares in excess of 53,852,492 shares, pursuant to the applicable rules of the NASDAQ Global Select Market, including but not limited to, NASDAQ Rule 5635(d), for the avoidance of doubt, without giving effect to any "cashless" or "net" exercise provisions therein (the "Requisite Stockholder Approval"); provided that the parties acknowledge that such meeting may be postponed or adjourned in accordance with the Company's bylaws or as otherwise required by Applicable Law if (x) there is an insufficient number of shares of Common Stock present or represented by a proxy at the Company Stockholder Meeting to conduct business at the Company Stockholder Meeting, (y) the Company is required to postpone or adjourn the Company Stockholder Meeting by Applicable Law or a request from the Commission or its staff, or (z) the Company determines in good faith that it is necessary or appropriate to postpone or adjourn the Company Stockholder Meeting in order to give the Company Stockholders sufficient time to evaluate any information or disclosure that the Company has sent or otherwise made available to them. If, despite the Company's reasonable best efforts the Requisite Stockholder Approval is not obtained at or prior to the Company Stockholder Meeting, the Company shall seek to obtain such

Requisite Stockholder Approval at a meeting of the stockholders of the Company at least once each calendar year and within 13 months of the previous meeting of the stockholders of the Company at which the Requisite Stockholder Approval was sought until such Requisite Stockholder Approval is obtained or the Warrant is no longer outstanding.

(b) The Company shall use its reasonable best efforts to obtain the Requisite Stockholder Approval. Without limiting the foregoing, the Board shall (x) recommend that the Company Stockholders vote in favor of the Requisite Stockholder Approval (the “Company Board Recommendation”) (and not withdraw or modify in any adverse respect such Company Board Recommendation unless the Board determines in good faith (after consultation with outside legal counsel and financial advisors) that the failure to take such action would be inconsistent with its fiduciary duties to the holders of Common Stock under Applicable Law, (y) solicit proxies in favor of the Requisite Stockholder Approval in accordance with this Section 3.4(b), and (z) obtain commitments from each of the directors and executive officers of the Company to vote in favor of the Requisite Stockholder Approval. If at any time prior to the Company Stockholder Meeting there shall occur any event that is required to be set forth in an amendment or supplement to the proxy statement, the Company shall as promptly as reasonably practicable prepare and mail to the Company Stockholders such an amendment or supplement. Each of the parties shall promptly correct any information provided by it or on its behalf for use in the proxy statement if and to the extent that such information shall have become false or misleading in any material respect, and the Company shall as promptly as reasonably practicable prepare and furnish to the Company Stockholders an amendment or supplement to correct such information to the extent required by Applicable Laws. The Company shall consult with Walmart prior to filing any proxy statement, or any amendment or supplement thereto, or responding to any comments from the Commission or its staff with respect thereto, and provide Walmart with a reasonable opportunity to comment thereon, and consider in good faith any comments proposed by Walmart.

(c) Walmart shall furnish the Company all information reasonably requested by the Company concerning itself, its Affiliates, directors, officers, stockholders and such other matters as may be reasonably necessary or advisable in connection with the proxy statement in connection with the Company Stockholder Meeting.

4.2 Legend. Walmart agrees that all certificates or other instruments representing the Warrant and the Warrant Shares shall bear any legend as required by the “blue sky” laws of any state and a restrictive legend substantially to the following effect:

“THE SECURITIES REPRESENTED BY THIS INSTRUMENT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS. HEDGING TRANSACTIONS INVOLVING THESE SECURITIES MAY NOT BE CONDUCTED UNLESS IN COMPLIANCE WITH THE SECURITIES ACT.

THIS INSTRUMENT IS ISSUED PURSUANT TO AND SUBJECT TO THE RESTRICTIONS ON TRANSFER AND OTHER PROVISIONS OF A WARRANT ISSUANCE AGREEMENT, DATED AS OF JULY 11, 2022, BY AND BETWEEN THE ISSUER OF THESE SECURITIES AND WALMART INC., A DELAWARE CORPORATION, A COPY OF WHICH IS ON FILE WITH THE ISSUER. 4.3 Anti-Takeover Provisions. The Company shall not take any action that would prevent Walmart from exercising any of its rights under this Agreement or any of the other Transaction Documents, or any of the transactions contemplated hereby or thereby (a “Burdensome Action”), including by causing this Agreement or any of the other Transaction Documents, or any of the transactions contemplated hereby or thereby, to be subject to any requirements imposed by any Anti-Takeover Provisions or subject in any manner to any “poison pill” or similar shareholder rights plan, in each case the result of which would be to cause a Burdensome Action to occur, and shall take all necessary steps within its control to exempt (or ensure the continued exemption of) the transactions contemplated by the Transaction Documents from any applicable Anti-Takeover Provisions, as now or hereafter in effect.

(iii) if the Company is at any time not subject to Section 13(a) or 15(d) under the Exchange Act, the information set forth on Schedule 5.1(a):

provided, however, that the requirements of this paragraph (a) shall be deemed to be satisfied to the extent such information is publicly filed on EDGAR within the time periods specified above.

(b) Until such time as Walmart shall cease to hold shares of Common Stock, or Warrants exercisable for shares of Common Stock, representing in the aggregate at least five percent (5%) of the Common Stock on a fully diluted basis, the Company shall consider and respond in good faith to reasonable requests for information, to the extent already existing or that can be prepared without excessive cost or management time, regarding the Company and its subsidiaries from Walmart in its capacity as a holder of the Warrant or the Common Stock. Without limiting the generality of the foregoing, the Company and its subsidiaries shall not be required to provide any such information if (i) the Company determines that such information is competitively sensitive, (ii) the Company determines in good faith that providing such information would adversely affect the Company (taking into account the nature of the request and the facts and circumstances at such time) other than to a de minimis extent or (iii) providing such information (A) would reasonably be expected to jeopardize an attorney-client privilege or cause a loss of attorney work product protection, (B) would violate a confidentiality obligation to any person in effect on the date of this Agreement or (C) would, based on the written advice of the Company's outside legal counsel, violate any Applicable Law; provided, that, with respect to clauses (i)-(iii), the Company uses reasonable efforts, and cooperates in good faith with Walmart, to develop and implement reasonable alternative arrangements to provide Walmart (and its Representatives) with the intended benefits of this Section 5.1.

(c) In furtherance and not in limitation of the foregoing, during the term of this Agreement, the Company shall, and shall cause its subsidiaries to, use commercially reasonable efforts to prepare and provide, or to cause to be prepared and provided, including, if requested and reasonably available, in electronic data format, to Walmart, or to assist Walmart with preparing (at the expense of Walmart), in a reasonably timely fashion following a request by Walmart any (i) financial information or other data relating to the Company and its subsidiaries and (ii) any other relevant information or data, in each case to the extent necessary, as reasonably determined in good faith by Walmart for Walmart to (x) comply with GAAP or to comply with its reporting, filing, accounting or other financial obligations under Applicable Law or (y) apply the equity method of accounting, in the event Walmart is required to account for its investment in the Company under the equity method of accounting under GAAP; provided, however, that any requests with respect to tax matters shall be addressed by Section 5.2 and not by this Section 5.1. REGISTRATION

6.1 Demand Registrations.

(a) Subject to the terms and conditions hereof, solely during any period that the Company is then ineligible under Applicable Law to register Registrable Securities on a registration statement on Form S-3 or any successor form thereto ("Form S-3"), or if the Company is so eligible but has failed to comply with its obligations under Section 6.3 any Demand Shareholders ("Requesting Shareholders") shall be entitled to make no more than three (3) written requests of the Company (each, a "Demand") for registration under the Securities Act of an amount of Registrable Securities then held by such Requesting Shareholders that equals or is greater than the Registrable Amount (a "Demand Registration" and such registration statement,

a “Demand Registration Statement”); provided, however, that no Demand may be made by any Demand Shareholder prior to the date that is one (1) year after the date of this Agreement. Thereupon, the Company shall, subject to the terms of this Agreement, file the registration statement no later than 30 days after receipt of a Demand and shall use its commercially reasonable efforts to effect the registration as promptly as practicable under the Securities Act of:

(i) the Registrable Securities which the Company has been so requested to register by the Requesting Shareholders for disposition in accordance with the intended method of disposition stated in such Demand;

(ii) all other Registrable Securities which the Company has been requested to register pursuant to Section 6.1(b), but subject to Section 6.1(g); and

(iii) all shares of Common Stock which the Company may elect to register in connection with any offering of Registrable Securities pursuant to this Section 6.1, but subject to Section 6.1(g);

all to the extent necessary to permit the disposition (in accordance with the intended methods thereof) of the Registrable Securities and the additional shares of Common Stock, if any, to be so registered.

(b) A Demand shall specify: (i) the aggregate number of Registrable Securities requested to be registered in such Demand Registration, (ii) the intended method of disposition in connection with such Demand Registration, to the extent then known, and (iii) the identity of the Requesting Shareholder(s). Within five (5) days after receipt of a Demand, the Company shall give written notice of such Demand to all other holders of Registrable Securities. The Company shall include in the Demand Registration covered by such Demand all Registrable Securities with respect to which the Company has received a written request for inclusion therein within five (5) days after the Company’s notice required by this paragraph has been given, provided that if such five (5) day period ends on a day that is not a Business Day, such period shall be deemed to end on the next succeeding Business Day. Each such written request shall comply with the requirements of a Demand as set forth in this Section 6.1(b).

(c) A Demand Registration shall not be deemed to have been effected (i) unless the Demand Registration Statement with respect thereto has become effective and has remained effective for a period of at least one hundred five (105) days or such shorter period in which all Registrable Securities included in such Demand Registration have actually been sold or otherwise disposed of thereunder (provided, that such period shall be extended for a period of time equal to the period the holders of Registrable Securities refrain from selling any securities included in such registration statement at the request of the Company or the lead managing underwriter(s) pursuant to the provisions of this Agreement) or (ii) if, after it has become effective, such Demand Registration becomes subject, prior to one hundred five (105) days after effectiveness, to any stop order, injunction or other order or requirement of the Commission or other Governmental Entity, other than by reason of any act or omission by the applicable Selling Shareholders.

(d) Demand Registrations shall be on such appropriate registration form of the Commission as shall be selected by the Company and reasonably acceptable to the Requesting Shareholders.

(e) The Company shall not be obligated to (i) subject to Section 6.1(c), maintain the effectiveness of a registration statement under the Securities Act filed pursuant to a Demand Registration for a period longer than one hundred five (105) days or (ii) effect any Demand Registration (A) within ninety (90) days of a “firm commitment” Underwritten Offering in which all Demand Shareholders were offered “piggyback” rights pursuant to Section 6.2 (subject to Section 6.2(b)) and at least fifty percent (50%) of the number of Registrable Securities requested by such Demand Shareholders to be included in such Demand Registration were included, (B) within ninety (90) days of the completion of any other Demand Registration (including, for the avoidance of doubt, any Underwritten Offering pursuant to any Shelf Registration Statement), (C) within ninety (90) days of the completion of any other Underwritten Offering by the Company or any shorter period during which the Company has agreed not to effect a registration or public offering of securities (in each case only to the extent that the Company has undertaken contractually to the underwriters of such Underwritten Offering not to effect any registration or public offering of securities), (D) if, in the

Company's reasonable judgment, it is not feasible for the Company to proceed with the Demand Registration because of the unavailability of audited or other required financial statements of the Company or any other Person; provided, that the Company shall use its commercially reasonable efforts to obtain such financial statements as promptly as practicable.

(f) The Company shall be entitled to (i) postpone (upon written notice to the Demand Shareholders) the filing or the effectiveness of a registration statement for any Demand Registration, (ii) cause any Demand Registration Statement to be withdrawn and its effectiveness terminated and (iii) suspend the use of the prospectus forming the part of any registration statement, in each case in the event of a Blackout Period until the expiration of the applicable Blackout Period. In the event of a Blackout Period under clause (ii) of the definition thereof, the Company shall deliver to the Demand Shareholders requesting registration a certificate signed by either the chief executive officer or the chief financial officer of the Company certifying that, in the good faith judgment of the Company, the conditions described in clause (ii) of the definition of Blackout Period are met. Such certificate shall contain an approximation of the anticipated delay. Upon notice by the Company to the Demand Shareholders of any such determination, each Demand Shareholder covenants that, subject to Applicable Law, it shall keep the fact of any such notice strictly confidential, and, in the case of a Blackout Period pursuant to clause (ii)(y) of the definition of Blackout Period, promptly halt any offer, sale, trading or other Transfer by it or any of its Affiliates of any Registrable Securities for the duration of the Blackout Period set forth in such notice (or until such Blackout Period shall be earlier terminated in writing by the Company) and promptly halt any use, publication, dissemination or distribution of the Demand Registration Statement, each prospectus included therein, and any amendment or supplement thereto by it and any of its Affiliates for the duration of the Blackout Period set forth in such notice (or until such Blackout Period shall be earlier terminated in writing by the Company) and, if so directed in writing by the Company, will deliver to the Company any copies then in the Demand Shareholder's possession of the prospectus covering such Registrable Securities that was in effect at the time of receipt of such notice.

(g) If, in connection with a Demand Registration that involves an Underwritten Offering, the lead managing underwriter(s) advise(s) the Company that, in its (their) good faith opinion, the inclusion of all of the securities sought to be registered in connection with such Demand Registration would adversely affect the success thereof, then the Company shall include in such registration statement only such securities as the Company is advised by such lead managing underwriter(s) can be sold without such adverse effect as follows and in the following order of priority: (i) first, up to the number of Registrable Securities requested to be included in such Demand Registration by the Demand Shareholders, which, in the opinion of the lead managing underwriter(s), can be sold without adversely affecting the success thereof, pro rata among such Demand Shareholders on the basis of the number of such Registrable Securities requested to be included by such Demand Shareholders; (ii) second, securities the Company proposes to sell; and (iii) third, all other securities of the Company duly requested to be included in such registration statement, pro rata on the basis of the amount of such other securities requested to be included or such other allocation method determined by the Company.

(h) Any time that a Demand Registration involves an Underwritten Offering, the Requesting Shareholder(s) shall select the investment banker(s) and manager(s) that will serve as managing underwriters (including which such managing underwriters will serve as lead or co-lead) and underwriters with respect to the offering of such Registrable Securities; provided, that such investment banker(s) and manager(s) shall be reasonably acceptable to the Company (such acceptance not to be unreasonably withheld, conditioned or delayed).

6.2 Piggyback Registrations.

(a) Subject to the terms and conditions hereof, from and after the date that is one hundred eighty (180) days after the date of this Agreement, whenever the Company proposes to register any Common Stock (or any other securities that are of the same class or series as any Registrable Securities that are not shares of Common Stock) under the Securities Act (other than a registration by the Company (i) on Form S-4 or any successor form thereto, (ii) on Form S-8 or any successor form thereto, (iii) pursuant to Section 6.3, or (iv) pursuant to Section 6.1) (a "Piggyback Registration"), whether for its own account or for the account of others, the Company shall give all Demand Shareholders prompt written notice thereof (but not less than ten (10) Business Days prior to the filing by the Company with the Commission of any registration

statement with respect thereto). Such notice (a “Piggyback Notice”) shall specify the number of shares of Common Stock (or other securities, as applicable) proposed to be registered, the proposed date of filing of such registration statement with the Commission, the proposed means of distribution and the proposed managing underwriter(s) (if any) and a good faith estimate by the Company of the proposed minimum offering price of such shares of Common Stock (or other securities, as applicable), in each case to the extent then known. Subject to Section 6.2(b), the Company shall include in each such Piggyback Registration all Registrable Securities held by Demand Shareholders (a “Piggyback Seller”) with respect to which the Company has received written requests (which written requests shall specify the number of Registrable Securities requested to be disposed of by such Piggyback Seller) for inclusion therein within ten (10) business days after such Piggyback Notice is received by such Piggyback Seller.

(b) If, in connection with a Piggyback Registration that involves an Underwritten Offering, the lead managing underwriter(s) advise(s) the Company that, in its opinion, the inclusion of all the securities sought to be included in such Piggyback Registration by (w) the Company, (x) other Persons who have sought to have shares of Common Stock registered in such Piggyback Registration pursuant to rights to demand (other than pursuant to so-called “piggyback” or other incidental or participation registration rights) such registration (such Persons being “Other Demanding Sellers”), (y) the Piggyback Sellers and (z) any other proposed sellers of shares of Common Stock (such Persons being “Other Proposed Sellers”), as the case may be, would materially and adversely affect the success thereof, then the Company shall include in the registration statement applicable to such Piggyback Registration only such securities as the Company is so advised by such lead managing underwriter(s) can be sold without such an effect, as follows and in the following order of priority:

(i) if the Piggyback Registration relates to an offering for the Company’s own account, then (A) first, such number of shares of Common Stock (or other securities, as applicable) to be sold by the Company as the Company, in its reasonable judgment, shall have determined, (B) second, Registrable Securities of Piggyback Sellers, pro rata on the basis of the number of Registrable Securities proposed to be sold by such Piggyback Sellers, (C) third, shares of Common Stock sought to be registered by Other Demanding Sellers, pro rata on the basis of the number of shares of Common Stock proposed to be sold by such Other Demanding Sellers and (D) fourth, other shares of Common Stock proposed to be sold by any Other Proposed Sellers; or

(ii) if the Piggyback Registration relates to an offering other than for the Company’s own account, then (A) first, such number of shares of Common Stock (or other securities, as applicable) sought to be registered by each Other Demanding Seller pro rata in proportion to the number of securities sought to be registered by all such Other Demanding Sellers, (B) second, Registrable Securities of Piggyback Sellers, pro rata on the basis of the number of Registrable Securities proposed to be sold by such Piggyback Sellers, (C) third, shares of Common Stock to be sold by the Company and (D) fourth, other shares of Common Stock proposed to be sold by any Other Proposed Sellers.

(c) For clarity, in connection with any Underwritten Offering under this Section 6.2 for the Company’s account, the Company shall not be required to include the Registrable Securities of a Piggyback Seller in the Underwritten Offering unless such Piggyback Seller accepts the terms of the underwriting as agreed upon between the Company and the lead managing underwriter(s), which shall be selected by the Company.

(d) If, at any time after giving written notice of its intention to register any shares of Common Stock (or other securities, as applicable) as set forth in this Section 6.2 and prior to the time the registration statement filed in connection with such Piggyback Registration is declared effective, the Company shall determine for any reason not to register such shares of Common Stock (or other securities, as applicable), the Company may, at its election, give written notice of such determination to the Piggyback Sellers within five (5) Business Days thereof and thereupon shall be relieved of its obligation to register any Registrable Securities in connection with such particular withdrawn or abandoned Piggyback Registration; provided, that, if permitted pursuant to Section 6.1, the Demand Shareholders may continue the registration as a Demand Registration pursuant to the terms of Section 6.1.

6.3 Shelf Registration Statement.

(a) Subject to the terms and conditions hereof, and further subject to the availability of Form S-3 to the Company, any of the Demand Shareholders may by written notice delivered to the Company (the “Shelf Notice”) require the Company to file as soon as reasonably practicable, and to use commercially reasonable efforts to cause to be declared effective by the Commission as soon as reasonably practicable after such filing date, a Form S-3, providing for an offering to be made on a continuous basis pursuant to Rule 415 under the Securities Act relating to the offer and sale, from time to time, of an amount of Registrable Securities then held by such Demand Shareholders that equals or is greater than the Registrable Amount (the “Shelf Registration Statement”). To the extent the Company is a well-known seasoned issuer (as defined in Rule 405 under the Securities Act), the Company shall file the Shelf Registration Statement in the form of an automatic shelf registration statement (as defined in Rule 405 under the Securities Act) or any successor form thereto. If registering a number of Registrable Securities, the Company shall pay the registration fee for all Registrable Securities to be registered pursuant to an automatic shelf registration statement at the time of filing of the automatic shelf registration statement and shall not elect to pay any portion of the registration fee on a deferred basis. The Company may also amend an existing registration statement on Form S-3, including by post-effective amendment, in order to fulfill its obligations hereunder.

(b) Within five business (5) days after receipt of a Shelf Notice pursuant to Section 6.3(a), the Company will deliver written notice thereof to all other holders of Registrable Securities. Each other holder of Registrable Securities may elect to participate with respect to its Registrable Securities in the Shelf Registration Statement in accordance with the plan and method of distribution set forth, or to be set forth, in such Shelf Registration Statement by delivering to the Company a written request to so participate within five (5) days after the Shelf Notice is received by any such holder of Registrable Securities.

(c) Subject to Section 6.3(d), the Company shall use its commercially reasonable efforts to keep the Shelf Registration Statement continuously effective until the date on which all Registrable Securities covered by the Shelf Registration Statement have been sold thereunder in accordance with the plan and method of distribution disclosed in the prospectus included in the Shelf Registration Statement, or otherwise cease to be Registrable Securities.

(d) Notwithstanding anything to the contrary contained in this Agreement, the Company shall be entitled, from time to time, by providing written notice to the holders of Registrable Securities who elected to participate in the Shelf Registration Statement, to require such holders of Registrable Securities to suspend the use of the prospectus for sales of Registrable Securities under the Shelf Registration Statement during any Blackout Period. In the event of a Blackout Period under clause (ii) of the definition thereof, the Company shall deliver to the Demand Shareholders requesting registration a certificate signed by either the chief executive officer or the chief financial officer of the Company certifying that, in the good faith judgment of the Company, the conditions described in clause (ii) of the definition of Blackout Period are met. Such certificate shall contain an approximation of the anticipated delay. Upon notice by the Company to the Demand Shareholders of any such determination, each Demand Shareholder covenants that it shall, subject to Applicable Law, keep the fact of any such notice strictly confidential, and, in the case of a Blackout Period pursuant to clause (ii)(y) of the definition of Blackout Period, promptly halt any offer, sale, trading or other Transfer by it or any of its Affiliates of any Registrable Securities for the duration of the Blackout Period set forth in such notice (or until such Blackout Period shall be earlier terminated in writing by the Company) and promptly halt any use, publication, dissemination or distribution of the Shelf Registration Statement, each prospectus included therein, and any amendment or supplement thereto by it and any of its Affiliates for the duration of the Blackout Period set forth in such notice (or until such Blackout Period shall be earlier terminated in writing by the Company) and, if so directed in writing by the Company, will deliver to the Company any copies then in the Demand Shareholder’s possession of the prospectus covering such Registrable Securities that was in effect at the time of receipt of such notice.

(e) After the expiration of any Blackout Period and without any further request from a holder of Registrable Securities, the Company, to the extent necessary, shall as promptly as reasonably practicable prepare a post-effective amendment or supplement to the Shelf Registration Statement or the prospectus, or any document incorporated therein by reference, or file any other required document so that, as thereafter

delivered to purchasers of the Registrable Securities included therein, the prospectus will not include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(f) At any time that a Shelf Registration Statement is effective, if any Demand Shareholder delivers a notice to the Company (a "Take-Down Notice") stating that it intends to sell all of part of its Registrable Securities included by it on the Shelf Registration Statement (a "Shelf Offering"), then the Company shall amend or supplement the Shelf Registration Statement as may be necessary in order to enable such Registrable Securities to be distributed pursuant to the Shelf Offering (taking into account, solely in connection with a Marketed Underwritten Shelf Offering, the inclusion of Registrable Securities by any other holders pursuant to this Section 6.3). In connection with any Shelf Offering that is an Underwritten Offering and where the plan of distribution set forth in the applicable Take-Down Notice includes a customary "road show" (including an "electronic road show") or other substantial marketing effort by the Company and the underwriters (a "Marketed Underwritten Shelf Offering");

(i) such proposing Demand Shareholder(s) shall also deliver the Take-Down Notice to all other Demand Shareholders included on the Shelf Registration Statement and permit each such holder to include its Registrable Securities included on the Shelf Registration Statement in the Marketed Underwritten Shelf Offering if such holder notifies the proposing Demand Shareholder(s) and the Company within two (2) Business Days after delivery of the Take-Down Notice to such holder; and

(ii) if the lead managing underwriter(s) advises the Company and the proposing Demand Shareholder(s) that, in its opinion, the inclusion of all of the securities sought to be sold in connection with such Marketed Underwritten Shelf Offering would materially and adversely affect the success thereof, then there shall be included in such Marketed Underwritten Shelf Offering only such securities as the proposing Demand Shareholder(s) is advised by such lead managing underwriter(s) can be sold without such adverse effect, and such number of Registrable Securities shall be allocated in the same manner as described in Section 6.1(g). Except as otherwise expressly specified in this Section 6.3, any Marketed Underwritten Shelf Offering shall be subject to the same requirements, limitations and other provisions of this Article VI as would be applicable to a Demand Registration (i.e., as if such Marketed Underwritten Shelf Offering were a Demand Registration), including Section 6.1(e)(ii) and Section 6.1(g).

(g) Notwithstanding any other provision of this Agreement, if the requesting Demand Shareholder wishes to engage in a block sale (including a block sale off of a Shelf Registration Statement or an effective automatic shelf registration statement, or in connection with the registration of the Registrable Securities under an automatic shelf registration statement for purposes of effectuating a block sale), then notwithstanding the foregoing or any other provisions hereunder, no Demand Shareholder shall be entitled to receive any notice of or have its Registrable Securities included in such block sale.

(h) Any time that a Shelf Offering involves a Marketed Underwritten Shelf Offering, the Requesting Shareholder(s) shall select the investment banker(s) and manager(s) that will serve as managing underwriters (including which such managing underwriters will serve as lead or co-lead) and underwriters with respect to the offering of such Registrable Securities; provided, that such investment banker(s) and manager(s) shall be reasonably acceptable to the Company (such acceptance not to be unreasonably withheld, conditioned or delayed).

6.4 Withdrawal Rights. Any holder of Registrable Securities having notified or directed the Company to include any or all of its Registrable Securities in a registration statement under the Securities Act shall have the right to withdraw any such notice or direction with respect to any or all of the Registrable Securities designated by it for registration by giving written notice, of not less than 2 business days, to such effect to the Company prior to the effective date of such registration statement. In the event of any such withdrawal, the Company shall not include such Registrable Securities in the applicable registration and such Registrable Securities shall continue to be Registrable Securities for all purposes of this Agreement (subject to the other terms and conditions of this Agreement). No such withdrawal shall affect the obligations of the Company with respect to the Registrable Securities not so withdrawn; provided, however, that in the case of a Demand Registration, if such withdrawal shall reduce the number of Registrable Securities sought to be included in such registration below the Registrable Amount, then the Company shall as promptly as practicable give each Demand Shareholder seeking

to register Registrable Securities notice to such effect and, within five (5) days following the mailing of such notice, such Demand Shareholder still seeking registration shall, by written notice to the Company, elect to register additional Registrable Securities to satisfy the Registrable Amount or elect that such registration statement not be filed or, if theretofore filed, be withdrawn. During such five (5) day period, the Company shall not file such registration statement if not theretofore filed or, if such registration statement has been theretofore filed, the Company shall not seek, and shall use commercially reasonable efforts to prevent, the effectiveness thereof.

6.5 Hedging Transactions

(a) The provisions of this Agreement relating to the registration, offer and sale of Registrable Securities shall apply also to (i) any transaction which Transfers some or all of the economic risk of ownership of Registrable Securities, including any forward contract, equity swap, put or call, put or call equivalent position, collar, margin loan, sale of exchangeable security or similar transaction (including the registration, offer and sale under the Securities Act of Registrable Securities pledged to the counterparty to such transaction or of securities of the same class as the underlying Registrable Securities by the counterparty to such transaction in connection therewith), and that the counterparty to such transaction shall be selected in the sole discretion of the Demand Shareholders and (ii) any derivative transactions in which a broker-dealer, other financial institution or unaffiliated Person (each, a "Hedging Counterparty") may sell Registrable Securities covered by any prospectus and the applicable prospectus supplement including short sale transactions using Registrable Securities pledged by a Demand Shareholder or borrowed from the Demand Shareholder or others and Registrable Securities loaned, pledged or hypothecated to any such party (each, a "Hedging Transaction"); provided that the Demand Shareholder's legal counsel has determined in its reasonable judgment (after good-faith consultation with counsel of the Company) that it is reasonably necessary to register under the Securities Act such Hedging Transaction. Any written information regarding the Hedging Transaction provided to the Company by a Hedging Counterparty for inclusion in any registration statement, prospectus or free writing prospectus filed pursuant to this Section 6.5 shall, for purposes of Section 6.9, be deemed to be written information provided by a Selling Shareholder for purposes of Section 6.9.

(b) If in connection with a Hedging Transaction, a Hedging Counterparty or any Affiliate thereof is (or may reasonably be considered) an underwriter or selling stockholder, then such Hedging Counterparty shall be required to provide customary indemnities to the Company regarding the plan of distribution and related matters.

6.6 Holdback Agreements.

(a) Walmart shall enter into customary agreements restricting the sale or distribution of Equity Securities of the Company (including sales pursuant to Rule 144 under the Securities Act) to the extent required by the lead managing underwriter(s) with respect to an applicable Underwritten Offering in which Walmart participates during the period commencing on the date of the request (which shall be no earlier than fourteen (14) days prior to the expected "pricing" of such Underwritten Offering) and continuing for not more than ninety (90) days after the date of the "final" prospectus (or "final" prospectus supplement if the Underwritten Offering is made pursuant to a Shelf Registration Statement), pursuant to which such Underwritten Offering shall be made. The Company shall not include Registrable Securities of any other Demand Shareholder in such an Underwritten Offering unless such other Demand Shareholder enters into a customary agreement restricting the sale or distribution of Equity Securities of the Company (including sales pursuant to Rule 144 under the Securities Act) if requested by the lead managing underwriter(s).

(b) If any Demand Registration or Shelf Offering involves an Underwritten Offering, the Company will not affect any sale or distribution of shares of Common Stock (or securities convertible into or exchangeable or exercisable for shares of Common Stock) (other than a registration statement on Form S-4, Form S-8 or any successor forms thereto) for its own account, within sixty (60) days (plus an extension period as may be proposed by the lead managing underwriter(s) for such Underwritten Offering to address FINRA regulations regarding the publication of research, or such shorter periods as the lead managing underwriter(s) may agree with the Company), after the effective date of such registration except as may otherwise be agreed between the Company and the lead managing underwriter(s) of such Underwritten Offering.

6.7 Registration Procedures.

(a) If and whenever the Company is required to use commercially reasonable efforts to effect the registration of any Registrable Securities under the Securities Act as provided in Section 6.1, Section 6.2 or Section 6.3, the Company shall as expeditiously as reasonably practicable:

(i) prepare and file with the Commission a registration statement to effect such registration in accordance with the intended method or methods of distribution of such securities and thereafter use commercially reasonable efforts to cause such registration statement to become and remain effective pursuant to the terms of this Article VI; provided, however, that the Company may discontinue any registration of its securities which are not Registrable Securities at any time prior to the effective date of the registration statement relating thereto; provided, further, that before filing such registration statement or any amendments thereto, the Company will furnish to the Demand Shareholders which are including Registrable Securities in such registration (“Selling Shareholders”), their counsel and the lead managing underwriter(s), if any, copies of all such documents proposed to be filed, which documents will be subject to the review and reasonable comment of such counsel, and other documents reasonably requested by such counsel, including any comment letter from the Commission, and, if requested by such counsel, provide such counsel reasonable opportunity to participate in the preparation of such registration statement and each prospectus included therein and such other opportunities to conduct a reasonable investigation within the meaning of the Securities Act, including reasonable access to the Company’s books and records, officers, accountants and other advisors. The Company shall not file any such registration statement or prospectus or any amendments or supplements thereto with respect to a Demand Registration to which the holders of a majority of Registrable Securities held by the Requesting Shareholder(s), their counsel or the lead managing underwriter(s), if any, shall reasonably object, in writing, on a timely basis, unless, in the opinion of the Company, such filing is necessary to comply with Applicable Law;

(ii) except in the case of a Shelf Registration Statement, prepare and file with the Commission such amendments, including post-effective amendments, and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective pursuant to the terms of this Article VI, and comply in all material respects with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement;

(iii) in the case of a Shelf Registration Statement, prepare and file with the Commission such amendments, including post-effective amendments, and supplements to such Shelf Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Shelf Registration Statement effective and to comply in all material respects with the provision of the Securities Act with respect to the disposition of the Registrable Securities subject thereto for a period ending on the date on which all the Registrable Securities held by the Demand Shareholders cease to be Registrable Securities;

(iv) if requested by the lead managing underwriter(s), if any, or the holders of a majority of the then outstanding Registrable Securities being sold in connection with an Underwritten Offering, promptly include in a prospectus supplement or post-effective amendment such information as the lead managing underwriter(s), if any, and such holders may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or such post-effective amendment as soon as reasonably practicable after the Company has received such request; provided, however, that the Company shall not be required to take any actions under this Section 6.7(a)(iv) that are not, in the opinion of counsel for the Company, in compliance with Applicable Law;

(v) furnish to the Selling Shareholders and each underwriter, if any, of the securities being sold by such Selling Shareholders such number of conformed copies of such registration statement and of each amendment and supplement thereto, such number of copies of the prospectus contained in such registration statement (including each preliminary prospectus and any summary prospectus) and each free writing prospectus (as defined in Rule 405 of the Securities Act) (a “Free Writing Prospectus”) utilized in connection therewith and any other prospectus filed under Rule 424 under the Securities Act,

in conformity with the requirements of the Securities Act, and such other documents as such Selling Shareholders and underwriter, if any, may reasonably request in order to facilitate the public sale or other disposition of the Registrable Securities owned by such Selling Shareholders;

(vi) use commercially reasonable efforts to register or qualify or cooperate with the Selling Shareholders, the underwriters, if any, and their respective counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities covered by such registration statement under such other securities laws or “blue sky” laws of such jurisdictions as the Selling Shareholders and any underwriter of the securities being sold by such Selling Shareholders shall reasonably request, and to keep each such registration or qualification (or exemption therefrom) effective during the period such registration statement is required to be kept effective and take any other action which may be necessary or reasonably advisable to enable such Selling Shareholders and underwriters to consummate the disposition in such jurisdictions of the Registrable Securities owned by such Selling Shareholders, except that the Company shall not for any such purpose be required to (A) qualify generally to do business as a foreign corporation in any jurisdiction wherein it would not but for the requirements of this clause (vi) be obligated to be so qualified, (B) subject itself to taxation in any such jurisdiction or (C) file a general consent to service of process in any such jurisdiction;

(vii) use commercially reasonable efforts to cause such Registrable Securities (if such Registrable Securities are shares of Common Stock) to be listed on each securities exchange on which shares of Common Stock are then listed;

(viii) use commercially reasonable efforts to provide and cause to be maintained a transfer agent and registrar for all Registrable Securities covered by such registration statement from and after a date not later than the effective date of such registration statement;

(ix) enter into such agreements (including an underwriting agreement) in form, scope and substance as is customary in underwritten offerings of shares of Common Stock by the Company and use its commercially reasonable efforts to take all such other actions reasonably requested by the holders of a majority of the Registrable Securities being sold in connection therewith (including those reasonably requested by the lead managing underwriter(s), if any) to expedite or facilitate the disposition of such Registrable Securities, and in such connection, whether or not an underwriting agreement is entered into and whether or not the registration is an Underwritten Offering (A) make such representations and warranties to the holders of such Registrable Securities and the underwriters, if any, with respect to the business of the Company and its subsidiaries, and the registration statement, prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, in form, substance and scope as are customarily made by issuers in underwritten offerings, and, if true, confirm the same if and when requested, (B) if any underwriting agreement has been entered into, the same shall contain customary indemnification provisions and procedures with respect to all parties to be indemnified pursuant to Section 6.10, except as otherwise agreed by the holders of a majority of the Registrable Securities being sold and (C) deliver such documents and certificates as reasonably requested by the holders of a majority of the Registrable Securities being sold, their counsel and the lead managing underwriter(s), if any, to evidence the continued validity of the representations and warranties made pursuant to sub-clause (A) above and to evidence compliance with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company. The above shall be done at each closing under such underwriting or similar agreement, or as and to the extent required thereunder;

(x) in connection with an Underwritten Offering, use commercially reasonable efforts to obtain for the underwriter(s) (A) opinions of counsel for the Company, covering the matters customarily covered in opinions requested in underwritten offerings and such other matters as may be reasonably requested by such underwriters and (B) “comfort” letters and updates thereof (or, in the case of any such Person which does not satisfy the conditions for receipt of a “comfort” letter specified in Statement on Auditing Standards No. 72, an “agreed upon procedures” letter) signed by the independent public accountants who have certified the Company’s financial statements included in such registration statement, covering the matters customarily covered in “comfort” letters in connection with underwritten offerings;

(xi) make available for inspection by the Selling Shareholders, any underwriter participating in any disposition pursuant to any registration statement, and any attorney, accountant or other agent or Representative retained in connection with such offering by such Selling Shareholders or underwriter (collectively, the “Inspectors”), any public non material financial and other records, pertinent corporate documents and properties of the Company (collectively, the “Records”), as shall be reasonably necessary, or as shall otherwise be reasonably requested, to enable them to exercise their due diligence responsibility, and cause the officers, directors and employees of the Company and its subsidiaries to supply all information in each case reasonably requested by any such Representative, underwriter, attorney, agent or accountant in connection with such registration statement; provided, however, that the Company shall not be required to provide any information under this Section 6.7(a)(xi) if (A) the Company believes, after consultation with counsel for the Company, that to do so would cause the Company to forfeit an attorney-client privilege that was applicable to such information or (B) either (1) the Company has requested and been granted from the Commission confidential treatment of such information contained in any filing with the Commission or documents provided supplementally or otherwise or (2) the Company reasonably determines in good faith that such Records are confidential and so notifies the Inspectors in writing; unless prior to furnishing any such information with respect to clause (1) or (2) such Selling Shareholder requesting such information enters into, and causes each of its Inspectors to enter into, a confidentiality agreement on terms and conditions reasonably acceptable to the Company; provided, further, that each Selling Shareholder agrees that it will, upon learning that disclosure of such Records is sought in a court of competent jurisdiction or by another Governmental Entity, give notice to the Company and allow the Company, at its expense, to undertake appropriate action seeking to prevent disclosure of the Records deemed confidential;

(xii) as promptly as practicable notify in writing the Selling Shareholders and the underwriters, if any, of the following events: (A) the filing of the registration statement, any amendment thereto, the prospectus or any prospectus supplement related thereto or post-effective amendment to the registration statement or any Free Writing Prospectus utilized in connection therewith, and, with respect to the registration statement or any post-effective amendment thereto, when the same has become effective; (B) any request by the Commission or any other U.S. or state governmental authority for amendments or supplements to the registration statement or the prospectus or for additional information; (C) the issuance by the Commission of any stop order suspending the effectiveness of the registration statement or the initiation of any proceedings by any Person for that purpose; (D) the receipt by the Company of any notification with respect to the suspension of the qualification of any Registrable Securities for sale under the securities or “blue sky” laws of any jurisdiction or the initiation or threat of any proceeding for such purpose; (E) if at any time the representations and warranties of the Company contained in any mutual agreement (including any underwriting agreement) contemplated by Section 6.7(a)(ix) cease to be true and correct in any material respect; and (F) upon the happening of any event that makes any statement made in such registration statement or related prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in such registration statement, prospectus or documents so that, in the case of the registration statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, and, at the request of any Selling Shareholder, promptly prepare and furnish to such Selling Shareholder a reasonable number of copies of a supplement to or an amendment of such registration statement or prospectus as may be necessary so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(xiii) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of such registration statement, or the lifting of any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction at the earliest reasonable practicable date, except that, subject to the requirements of Section 6.7(a)(vi), the

Company shall not for any such purpose be required to (A) qualify generally to do business as a foreign corporation in any jurisdiction wherein it would not but for the requirements of this clause (xiii) be obligated to be so qualified, (B) subject itself to taxation in any such jurisdiction or (C) file a general consent to service of process in any such jurisdiction;

(xiv) cooperate with the Selling Shareholders and the lead managing underwriter(s) to facilitate the timely preparation and delivery of certificates (which shall not bear any restrictive legends unless required under Applicable Law) representing securities sold under any registration statement, and enable such securities to be in such denominations and registered in such names as the lead managing underwriter(s) or such Selling Shareholders may request and keep available and make available to the Company's transfer agent prior to the effectiveness of such registration statement a supply of such certificates;

(xv) cooperate with each seller of Registrable Securities and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA;

(xvi) have appropriate officers of the Company prepare and make presentations at a reasonable number of "road shows" and before analysts and rating agencies, as the case may be, and other information meetings reasonably organized by the underwriters, take other actions to obtain ratings for any Registrable Securities (if they are eligible to be rated) and otherwise use its commercially reasonable efforts to cooperate as reasonably requested by the Selling Shareholders and the underwriters in the offering, marketing or selling of the Registrable Securities; provided, however, that the scheduling of any such "road shows" and other meetings shall not unduly interfere with the normal operations of the business of the Company; and

(xvii) take all other actions reasonably requested by Walmart or the lead managing underwriter(s) to effect the intent of this Agreement.

(b) The Company may require each Selling Shareholder and each underwriter, if any, to furnish the Company in writing such information regarding each Selling Shareholder or underwriter and the distribution of such Registrable Securities as the Company may from time to time reasonably request in writing to complete or amend the information required by such registration statement.

(c) Each Selling Shareholder agrees that upon receipt of any notice from the Company of the happening of any event of the kind described in clauses (B), (C), (D), (E) and (F) of Section 6.7(a)(xii), such Selling Shareholder shall forthwith discontinue such Selling Shareholder's disposition of Registrable Securities pursuant to the applicable registration statement and prospectus relating thereto until such Selling Shareholder's receipt of the copies of the supplemented or amended prospectus contemplated by Section 6.7(a)(xii), or until it is advised in writing by the Company that the use of the applicable prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated or deemed to be incorporated by reference in such prospectus; provided, however, that the Company shall extend the time periods under Section 6.1(c) with respect to the length of time that the effectiveness of a registration statement must be maintained by the amount of time the holder is required to discontinue disposition of such securities.

(d) With a view to making available to the holders of Registrable Securities the benefits of Rule 144 under the Securities Act and any other rule or regulation of the Commission that may at any time permit a holder to sell securities of the Company to the public without registration, the Company shall:

(i) use commercially reasonable efforts to make and keep public information available, as those terms are understood and defined in Rule 144 under the Securities Act;

(ii) use commercially reasonable efforts to file with the Commission in a timely manner all reports and other documents required of the Company under the Exchange Act, at any time when the Company is subject to such reporting requirements; and

(iii) furnish to any holder of Registrable Securities, promptly upon request, a written statement by the Company as to its compliance with the reporting requirements of Rule 144 under the Securities Act and of the Exchange Act, a copy of the most recent annual or quarterly report of the Company, and

such other reports and documents so filed or furnished by the Company with the Commission as such holder may reasonably request in connection with the sale of Registrable Securities without registration (in each case to the extent not readily publicly available).

6.8 Registration Expenses. All fees and expenses incident to the Company's performance of its obligations under this Article VI, including (a) all registration and filing fees, including all fees and expenses of compliance with securities and "blue sky" laws (including the reasonable and documented fees and disbursements of counsel for the underwriters in connection with "blue sky" qualifications of the Registrable Securities pursuant to Section 6.7(a)(vi)) and all fees and expenses associated with filings required to be made with FINRA (including, if applicable, the fees and expenses of any "qualified independent underwriter" as such term is defined in FINRA Rule 5121, except in the event that Requesting Shareholders select the underwriters) (b) all printing (including expenses of printing certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company and of printing prospectuses if the printing of prospectuses is requested by Walmart) and copying expenses, (c) all messenger, telephone and delivery expenses, (d) all fees and expenses of the Company's independent certified public accountants and counsel (including with respect to "comfort" letters and opinions), (e) expenses of the Company incurred in connection with any "road show", other than any expense paid or payable by the underwriters and (f) reasonable and documented fees and disbursements of one counsel for all holders of Registrable Securities whose Registrable Securities are included in a registration statement, which counsel shall be selected by, in the case of a Demand Registration, the Requesting Shareholders, in the case of a Shelf Offering, the Demand Shareholder(s) requesting such offering, or in the case of any other registration, the holders of a majority of the Registrable Securities being sold in connection therewith, shall be borne solely by the Company whether or not any registration statement is filed or becomes effective. In connection with the Company's performance of its obligations under this Article VI, the Company will pay its internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties and the expense of any annual audit) and the expenses and fees for listing the securities to be registered on the primary securities exchange or over-the-counter market on which similar securities issued by the Company are then listed or traded. Each Selling Shareholder shall pay its portion of all underwriting discounts and commissions and transfer taxes, if any, relating to the sale of such Selling Shareholder's Registrable Securities pursuant to any registration.

6.9 Miscellaneous.

(a) Not less than five (5) Business Days before the expected filing date of each registration statement pursuant to this Agreement, the Company shall notify each holder of Registrable Securities who has timely provided the requisite notice hereunder entitling such holder to register Registrable Securities in such registration statement of the information, documents and instruments from such holder that the Company or any underwriter reasonably requests in connection with such registration statement, including a questionnaire, custody agreement, power of attorney, lock-up letter and underwriting agreement (the "Requested Information"). If the Company has not received, on or before the second Business Day before the expected filing date, the Requested Information from such holder, the Company may file the registration statement without including Registrable Securities of such holder. The failure to so include in any registration statement the Registrable Securities of a holder of Registrable Securities (with regard to that registration statement) shall not result in any liability on the part of the Company to such holder.

(b) The Company shall not grant to any Person any demand, piggyback or shelf registration rights the terms of which are senior to or conflict with the rights granted to Walmart hereunder without the prior written consent of Walmart. If Walmart provides such consent, Walmart and the Company shall amend this Agreement to grant Walmart any such senior demand, piggyback or shelf registration rights.

6.10 Registration Indemnification.

(a) The Company agrees, without limitation as to time, to indemnify and hold harmless, to the fullest extent permitted by law, each Selling Shareholder and its Affiliates and their respective officers, directors, members, stockholders, employees, managers and partners and each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) such Selling Shareholder or such other indemnified Person and the officers, directors, members, stockholders, employees, managers and partners of each such controlling Person, each underwriter, if any, and each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) such underwriter, from

and against all losses, claims, damages, liabilities, costs, expenses (including reasonable expenses of investigation and reasonable attorneys' fees and expenses), judgments, fines, penalties, charges and amounts paid in settlement (collectively, the "Losses"), as incurred, arising out of, caused by, resulting from or relating to any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto or any omission (or alleged omission) of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and (without limitation of the preceding portions of this Section 6.10(a)) will reimburse each such Selling Shareholder, each of its Affiliates, and each of their respective officers, directors, members, stockholders, employees, managers and partners and each such Person who controls each such Selling Shareholder and the officers, directors, members, stockholders, employees, managers, partners, accountants, attorneys and agents of each such controlling Person, each such underwriter and each such Person who controls any such underwriter, for any legal and any other expenses reasonably incurred in connection with investigating and defending or settling any such claim, Loss, damage, liability or action, except insofar as the same are caused by any information furnished in writing to the Company by any Selling Shareholder expressly for use therein.

(b) In connection with any registration statement in which a Selling Shareholder is participating, without limitation as to time, each such Selling Shareholder shall, severally and not jointly, indemnify the Company, its directors, officers and employees, and each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) the Company, from and against all Losses, as incurred, arising out of, caused by, resulting from or relating to any untrue statement (or alleged untrue statement) of material fact contained in the registration statement, prospectus or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto or any omission (or alleged omission) of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and (without limitation of the preceding portions of this Section 6.10(b)) will reimburse the Company, its directors, officers and employees and each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) for any legal and any other expenses reasonably incurred in connection with investigating and defending or settling any such claim, Loss, damage, liability or action, in each case solely to the extent, but only to the extent, that such untrue statement or omission is made in such registration statement, prospectus or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto in reliance upon and in conformity with written information furnished to the Company by such Selling Shareholder for inclusion in such registration statement, prospectus or preliminary prospectus or Free Writing Prospectus or any amendment or supplement thereto. Notwithstanding the foregoing, no Selling Shareholder shall be liable under this Section 6.10(b) for amounts in excess of the gross proceeds (after deducting any underwriting discount or commission) received by such holder in the offering giving rise to such liability.

(c) Any Person entitled to indemnification hereunder shall give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification; provided, however, the failure to give such notice shall not release the indemnifying party from its obligation, except to the extent that the indemnifying party has been actually and materially prejudiced by such failure to provide such notice on a timely basis.

(d) In any case in which any such action is brought against any indemnified party, and it notifies an indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and, to the extent that it may wish, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof and acknowledging the obligations of the indemnifying party with respect to such proceeding, the indemnifying party will not (so long as it shall continue to have the right to defend, contest, litigate and settle the matter in question in accordance with this paragraph) be liable to such indemnified party hereunder for any legal or other expense subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation, supervision and monitoring (unless (i) such indemnified party reasonably objects to such assumption on the grounds that (A) there may be defenses available to it which are different from or in addition to the defenses available to such indemnifying party or (B) such action involves, or is reasonably likely to have an

TABLE OF CONTENTS

effect beyond, the scope of matters that are subject to indemnification pursuant to this Section 6.10, or (ii) the indemnifying party shall have failed within a reasonable period of time to assume such defense and the indemnified party is or would reasonably be expected to be materially prejudiced by such delay, in either event the indemnified party shall be promptly reimbursed by the indemnifying party for the expenses incurred in connection with retaining one separate legal counsel (for the avoidance of doubt, for all indemnified parties in connection therewith)). For the avoidance of doubt, notwithstanding any such assumption by an indemnifying party, the indemnified party shall have the right to employ separate counsel in any such matter and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such indemnified party except as provided in the previous sentence. An indemnifying party shall not be liable for any settlement of an action or claim effected without its consent. No matter shall be settled by an indemnifying party without the consent of the indemnified party (which consent shall not be unreasonably withheld, conditioned or delayed), unless such settlement (x) includes as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation, (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any indemnified party and (z) is settled solely for cash for which the indemnified party would be entitled to indemnification hereunder.

(e) The indemnification provided for under this Agreement shall survive the Transfer of the Registrable Securities and the termination of this Agreement.

(f) If recovery is not available under the foregoing indemnification provisions for any reason or reasons other than as specified therein, any Person who would otherwise be entitled to indemnification by the terms thereof shall nevertheless be entitled to contribution with respect to any Losses with respect to which such Person would be entitled to such indemnification but for such reason or reasons, in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and such indemnified party, on the other hand, in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party, the Persons' relative knowledge and access to information concerning the matter with respect to which the claim was asserted, the opportunity to correct and prevent any statement or omission, and other equitable considerations appropriate under the circumstances. It is hereby agreed that it would not necessarily be equitable if the amount of such contribution were determined by pro rata or per capita allocation. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not found guilty of such fraudulent misrepresentation. Notwithstanding the foregoing, no Selling Shareholder shall be required to make a contribution in excess of the amount received by such Selling Shareholder from its sale of Registrable Securities in connection with the offering that gave rise to the contribution obligation.

6.11 Free Writing Prospectuses. Walmart shall not use any "free writing prospectus" (as defined in Rule 405 under the Securities Act) in connection with the sale of Registrable Securities pursuant to this Article VI without the prior written consent of the Company (which consent shall not be unreasonably withheld, conditioned or delayed). Notwithstanding the foregoing, Walmart may use any free writing prospectus prepared and distributed by the Company.

6.12 Termination of Registration Rights. The rights granted pursuant to this Article VI shall terminate, as to any holder of Registrable Securities on the date the Company is acquired in a transaction approved by the Company's Board (including, without limitation, through a merger, consolidation, stock purchase, or sale of all or substantially all of the Company's assets) or the earlier to occur of (a) the date on which all Registrable Securities held by such holder have been disposed; (b) the date on which all Registrable Securities held by such holder may be sold without registration in compliance with Rule 144 without regard to volume limitations or other restrictions on transfer thereunder.

ARTICLE VII

“Affiliate” means, with respect to any person, any other person (for all purposes hereunder, including any entities or individuals) that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with, such first person. “Agreement” has the meaning set forth in the preamble.

“Applicable Law” means, with respect to any Person, any federal, national, state, local, municipal, international, multinational or SRO statute, law, ordinance, secondary and subordinate legislation, directives, rule (including rules of common law), regulation, ordinance, treaty, Order, permit, authorization or other requirement applicable to such Person, its assets, properties, operations or business.

“Anti-Takeover Provisions” has the meaning set forth in [Section 2.2\(f\)](#).

“Antitrust Laws” has the meaning set forth in [Section 2.2\(d\)\(iii\)](#).

“Bankruptcy Exceptions” has the meaning set forth in [Section 2.2\(d\)\(i\)](#).

8.6 Entire Agreement, Etc. This Agreement (including the Schedules and Annexes hereto) and the other Transaction Documents, constitute the entire agreement, and supersede all other prior agreements, understandings, representations and warranties, both written and oral, between the parties, with respect to the subject matter hereof. No party shall take, or cause to be taken, including by entering into agreements or other arrangements with provisions or obligations that conflict, or purport to conflict, with the terms of the Transaction Documents or any of the transactions contemplated thereby, any action with either an intent or effect of impairing any such other person's rights under any of the Transaction Documents.

WARRANT TO PURCHASE COMMON STOCK

Number of shares of Common Stock: 61,160,011

Date of Issuance: July 11, 2022 ("Issuance Date")

CANOO INC., a Delaware corporation (the "Company"), hereby certifies that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **WALMART INC.**, a Delaware corporation, the registered holder hereof (the "Holder"), is entitled, subject to the terms set forth below, to purchase from the Company, at the Exercise Price (as defined below) then in effect, upon surrender of this Warrant to Purchase Common Stock (including any Warrants to Purchase Common Stock issued in exchange, transfer or replacement hereof and any additional Warrants to purchase Common Stock issued pursuant to Section 3, the "Warrant"), at any time or times on or after the Issuance Date but only with respect to the portion of the Warrant that has vested as of such time, but not after 11:59 p.m., Central Time, on the Expiration Date (as defined below). Except as otherwise defined herein, capitalized terms in this Warrant shall have the meanings set forth in Section 16.

This Warrant is issued: (i) pursuant to and subject to the provisions of the Warrant Issuance Agreement dated as of the Issuance Date between the Holder and the Company (including any amendments thereto, the "Warrant Issuance Agreement"); and (ii) as a condition to the execution of the Electric Vehicle Agreement dated as of the Issuance Date by and between the Company and the Holder (including any amendments, addendums, exhibits, annexes, and POs issued thereunder, collectively, the "EV Agreement").

1. VESTING. This Warrant shall vest and become exercisable as follows:

(i) 15,290,003 Warrant Shares will vest and become exercisable immediately on the Issuance Date.

(ii) Following the Issuance Date, the remaining Warrant Shares ("Revenue Vesting Shares") will vest and become exercisable on a pro rata basis on Total Walmart Generated Revenue in an amount proportional to \$300 million, until aggregate Total Walmart Generated Revenue shall reach \$300 million, at which time all Revenue Vesting Shares (and all Warrant Shares) shall have vested. For example, at such time as Total Walmart Generated Revenue from and after the Issuance Date shall have reached \$30 million, 10% of the Revenue Vesting Shares shall have become vested and exercisable.

(iii) Promptly following the end of each calendar quarter until all Warrant Shares have vested, the Holder shall calculate the Total Walmart Generated Revenue generated by Walmart and its Affiliates during such calendar quarter (or, for the calendar quarter in which the Issuance Date occurred, since the Issuance Date) and provide notice to the Company thereof together with calculations that are sufficiently detailed to enable the Company to validate such determination (the "Revenue Notice"), and the Company shall account for any vesting of the Warrant Shares accordingly. If the Company delivers a Dispute Notice (as defined

TABLE OF CONTENTS

below) pursuant to subparagraph (iv) below with respect to the Revenue Notice, the Revenue Vesting Shares subject to dispute shall not become vested until such time it is determined pursuant to the terms and conditions hereof that the vesting conditions have been satisfied.

(iv) If the Company desires to dispute the determination in any such Revenue Notice (such dispute, a “Revenue Dispute”), the Company will provide written notice to the Holder within ten (10) Business Days following receipt of the Revenue Notice, with reasonable supporting detail of the basis for dispute (a “Dispute Notice”). The parties shall have twenty (20) Business Days following receipt of the Dispute Notice to work together in good faith to resolve any such dispute (the “Resolution Period”). In the event that the parties resolve the Revenue Dispute during the Resolution Period, the Warrant Shares subject to vesting in accordance with such resolution shall become immediately vested on the date of such resolution. In the event the parties are unable to resolve the Revenue Dispute within the Resolution Period, either the Company or the Holder may, in its sole discretion, elect to commence mediation with a mediator to be mutually agreed upon by the parties in good faith to resolve such dispute. The costs of the mediator shall be shared equally by the Company and the Holder, provided that if the mediator shall resolve the dispute substantially in the favor of either the Company or the Holder, the other shall bear all costs of the mediator.

2. EXERCISE OF WARRANT.

(a) Mechanics of Exercise. Subject to the terms and conditions hereof, this Warrant may be exercised by the Holder at any time after the occurrence of the Applicable Stockholder Vote (and regardless of the outcome of such vote), but only to the extent vested, in whole or in part (except as provided under Section 3 below), by (i) delivery of a duly executed PDF copy submitted by e-mail (or e-mail attachment) of a written notice, in the form attached hereto as Exhibit A (the “Exercise Notice”), of the Holder’s election to exercise this Warrant, and (ii) payment to the Company of an amount equal to the Exercise Price multiplied by the number of Warrant Shares as to which this Warrant is being exercised (the “Aggregate Exercise Price”) (x) in cash by wire transfer of immediately available funds to an account designated by the Company (such manner of exercise, a “Cash Exercise”) and/or (y) without payment of cash, by reducing the number of Warrant Shares obtainable upon the exercise of this Warrant and payment of the Exercise Price in cash so as to yield a number of Warrant Shares obtainable upon the exercise of this Warrant (either in full or in part, as applicable) equal to the product of (A) the number of Warrant Shares issuable upon the exercise of this Warrant (either in full or in part, as applicable) (if payment of the Exercise Price were being made in cash) and (B) the Cashless Exercise Ratio (such manner of exercise, a “Cashless Exercise”); provided that such product shall be rounded to the nearest whole Warrant Share. The Company shall cause the Warrant Shares purchased hereunder to be transmitted by the Transfer Agent to the Holder by book entry position, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise by the date that is the earlier of (i) two (2) Trading Days after the delivery to the Company of the Exercise Notice and the Aggregate Exercise Price (the “Exercise Delivery Documents”), and (ii) the number of Trading Days comprising a standard settlement period after the delivery to the Company of the Notice of Exercise (such date, the “Warrant Share Delivery Date”). Upon delivery of the Exercise Delivery Documents (or if requested by Holder the date the Warrant Shares are transferred to the name of the Holder by book entry position by the Transfer Agent), the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised.

(b) No Fractional Shares. No fractional shares of Common Stock are to be issued upon the exercise of this Warrant, but rather the number of shares to be issued shall be rounded to the nearest whole number.

(c) Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum

TABLE OF CONTENTS

sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

(d) Delivery of a New Warrant. The Holder shall not be required to surrender this Warrant to the Company for cancellation until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case the Holder shall surrender this Warrant within three (3) Business Days of the date on which the final Exercise Notice is delivered to the Company. Partial exercise of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. Notwithstanding the foregoing, if this Warrant has been exercised in part the Company shall, at the request of the Holder and upon surrender of this Warrant certificate, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

(e) Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 2(c)(i) by the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise.

(f) Exercise Price. For purposes of this Warrant, "Exercise Price" means \$2.15 per Warrant Share, subject to adjustment as provided herein.

(g) Exercise Restriction. Notwithstanding anything herein to the contrary, in no event shall the Company issue more than 53,852,492 shares of Common Stock in respect of this Warrant unless and until the Company shall have obtained the Requisite Stockholder Approval (as such term is defined in the Warrant Issuance Agreement); provided, that in lieu of any Shares which would have been issued in connection with a valid exercise of this Warrant but for the application of this Section 2(g) (such Shares, the "Excess Shares"), the Company shall pay to the Holder an amount in cash equal to the product of: (i) the excess of (x) the 30-Day VWAP as of the day immediately preceding the applicable exercise date and (y) the Exercise Price, times (ii) the number of Excess Shares. Any cash amounts due pursuant to the foregoing sentence shall be paid by the Company by wire transfer of immediately available funds on or prior to the Warrant Share Delivery Date applicable to such exercise and following such payment the Company shall cease to have any further obligations in respect of the portion of the Warrant relating to such Excess Shares.

3. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES.

(a) Stock Splits, Subdivisions, Reclassifications or Combinations. If the Company shall at any time or from time to time (a) declare, order, pay or make a dividend or make a distribution on Common Stock in additional shares of Common Stock, (b) split, subdivide or reclassify the outstanding shares of Common Stock into a greater number of shares or (c) combine or reclassify the outstanding shares of Common Stock into a smaller number of shares, the number of Warrant Shares issuable upon exercise of this Warrant at the time of the record date for such dividend or distribution or the effective date of such split, subdivision, combination or reclassification shall be proportionately adjusted so that the Holder immediately after such record date or effective date, as the case may be, shall be entitled to purchase the number of shares of Common Stock which such holder would have owned or been entitled to receive in respect of the shares of Common Stock subject to this Warrant after such date had this Warrant been exercised in full immediately prior to such record date or effective date, as the case may be (disregarding whether or not this Warrant had been exercisable by its terms at such time). In the event of such adjustment, the Exercise Price in effect at the time of the record date for such dividend or distribution or the effective date of such split, subdivision, combination or reclassification shall be immediately adjusted to the number obtained by dividing (x) the product of (1) the number of Warrant Shares issuable upon the exercise of this Warrant in full before the adjustment determined pursuant to the immediately preceding sentence (disregarding whether or not this Warrant was exercisable by its terms at such time) and (2) the Exercise Price in effect immediately prior to the record or effective date, as the case may be, for the dividend, distribution, split, subdivision,

combination or reclassification giving rise to such adjustment by (y) the new number of Warrant Shares issuable upon exercise of the Warrant in full determined pursuant to the immediately preceding sentence (disregarding whether or not this Warrant is exercisable by its terms at such time); provided that such product shall be rounded to the nearest whole Warrant Share.

(b) Certain Issuances of Common Stock or Convertible Securities If the Company shall at any time or from time to time issue shares of Common Stock (or rights or warrants or any other securities or rights exercisable or convertible into or exchangeable for shares of Common Stock (collectively, a “conversion”), including through distributions on outstanding securities (collectively, “Convertible Securities”) (other than in Permitted Transactions or transactions to which the adjustments set forth in Section 3(a) are applicable), without consideration or at a consideration per share (or having a conversion price per share) that is less than the Exercise Price then in effect (the date of such issuance, the “Pricing Date”) then, in such event:

(A) the number of Warrant Shares issuable upon the exercise of this Warrant immediately prior to the Pricing Date (the “Initial Number”) shall be increased to the number obtained by multiplying the Initial Number by a fraction (I) the numerator of which shall be the sum of (x) the number of shares of Common Stock outstanding immediately prior to the Pricing Date and (y) the number of additional shares of Common Stock issued (or into which Convertible Securities may be converted) and (II) the denominator of which shall be the sum of (x) the number of shares of Common Stock outstanding immediately prior to the Pricing Date and (y) the number of shares of Common Stock (rounded to the nearest whole share) which the aggregate consideration in respect of such issuance of shares of Common Stock (or Convertible Securities) would purchase at the Market Price of Common Stock immediately prior to the Pricing Date; and

(B) the Exercise Price payable upon exercise of this Warrant shall be adjusted by multiplying such Exercise Price in effect immediately prior to the Pricing Date by a fraction, the numerator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant in full immediately prior to the adjustment pursuant to clause (A) above (disregarding whether or not this Warrant was exercisable by its terms at such time), and the denominator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant in full immediately after the adjustment pursuant to clause (A) above (disregarding whether or not this Warrant is exercisable by its terms at such time).

For purposes of this Section 3(b), “Permitted Transactions” shall include (a) issuances of shares of Common Stock (including upon exercise of options) to directors, advisors, employees or consultants of the Company pursuant to a stock option plan, employee stock purchase plan, restricted stock plan, other employee benefit plan or other similar compensatory agreement or arrangement approved by the Board of Directors, (b) issuances of shares of Common Stock in a Qualified Financing, (c) issuance of the Company’s equity interests upon exercise of warrants or options, or conversion of outstanding equity interests, outstanding as of the Issuance Date, (d) any sale of the Company’s equity interests pursuant to a registered public offering, (e) sales of Common Stock in transactions deemed to be “at-the-market” sales pursuant to Rule 415 of the Securities Act, including any sales pursuant to the standby equity purchase agreement, dated as of May 10, 2022, between the Company and YA-II PN, Ltd., (f) issuance of shares of Common Stock as payment to Company vendors and suppliers, or issuances to secure such payment obligations, and (g) issuance of Common Stock issuable upon exercise of this Warrant. For the avoidance of doubt, except in connection with any transaction described in Section 3(a), no adjustment pursuant to this Section 3(b) shall be made to an applicable Exercise Price or number of related Warrant Shares in the case of the issuance of Common Stock or Convertible Securities at a consideration per share (or having a conversion or exercise price per share) that is equal to or greater than such Exercise Price. Any adjustment made pursuant to this Section 3(c) shall become effective immediately upon the date of such issuance. For the avoidance of doubt, no increase to the Exercise Price or decrease in the number of Warrant Shares issuable upon exercise of this Warrant shall be made pursuant to this Section 3(b).

(c) Distributions. If the Company, at any time while this Warrant is outstanding, declares or makes any dividend or distributes to holders of shares of Common Stock (and not to the Holder) evidences of its indebtedness or assets (including cash and cash dividends or property) or rights or warrants to subscribe for or purchase any security (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction other than dividends or distributions pursuant to Section 3(a)) (a “Distribution”), then the Holder will be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock

acquirable upon exercise of the Warrant solely to the extent exercisable immediately before the date as of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution.

4. SALE OR LIQUIDATION TRANSACTION. Upon the occurrence of a Change of Control, liquidation, or similar event with respect to the Company, (a) the portion of the Warrant that is vested at the time of such event shall be deemed automatically exercised immediately prior to such event and all amounts payable with respect to the Common Stock shall include the Warrant Shares resulting from such exercise (less the applicable Aggregate Exercise Price), and (b) the portion of the Warrant that is unvested at the time of such event shall remain outstanding and assumed by the successor entity. Notwithstanding the foregoing, in the event the Change of Control, liquidation, or similar event could negatively impact the Holder's ability to earn Warrant Shares, including without limitation by adversely impacting in any respect the potential amount of Total Walmart Generated Revenue, the portion of the Warrant that remains unvested, if any, at the time of such event shall accelerate and fully vest immediately prior thereto.

5. WARRANT HOLDER NOT DEEMED A STOCKHOLDER. The Holder, solely in such Person's capacity as the Holder of this Warrant, shall not be entitled to vote or receive distributions or be deemed a holder of Common Stock of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in such Person's capacity as the Holder of this Warrant, any of the rights of a stockholder of the Company or any right to vote, give or withhold consent to any company action (whether any reorganization, issue of shares, reclassification of shares, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive distributions or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which such Person is then entitled to receive upon the due exercise of this Warrant. In addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company.

6. REISSUANCE OF WARRANTS.

(a) Restrictions on Transfer. The Holder may not sell, exchange, assign, pledge, hypothecate, gift or otherwise transfer, dispose of or make or permit any indirect transfer of this Warrant without the prior written consent of the Company's board of directors; provided, however, that the Holder may assign this Warrant to any of its Affiliates without such prior written consent.

(b) Lost, Stolen or Mutilated Warrant. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant, and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary form and, in the case of mutilation, upon surrender and cancellation of this Warrant, the Company shall execute and deliver to the Holder a new Warrant.

7. FACILITATION OF SALES UNDER RULE 144. For as long as the Holder or any Permitted Transferee owns any Warrant Shares, to the extent it shall be required to do so under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Company shall timely file the reports required to be filed by it under the Exchange Act or the Securities Act of 1933, as amended (the "Securities Act"), and submit all required Interactive Data Files (as defined in rules and regulations promulgated by the SEC), and the Company shall, and shall procure any relevant third party to, take such further necessary action required from time to time to enable the Holder to sell its Warrant Shares (including, without limitation, for the purpose of the removal of any restrictive legend on the Warrant Shares, such as by providing an opinion letter from the Company's counsel to the Holder or any relevant transfer agent) as from the first Business Day after the delivery of the Exercise Delivery Documents, without registration under the Securities Act within the limitations of the exemption provided by Rule 144 under the Securities Act.

8. NONWAIVER AND EXPENSES. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

9. SUCCESSORS AND ASSIGNS. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant Shares.

10. REMEDIES. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

Article II. Advances

Section 2.01 Advances; Mechanics. Upon the terms and subject to the conditions of this Agreement, during the Commitment Period, the Company, at its sole discretion, shall have the right, but not the obligation, to issue and sell to the Investor, and the Investor shall purchase from the Company, Common Shares by the delivery to the Investor of Advance Notices as provided herein.

(a) Advance Notice. At any time during the Commitment Period the Company may require the Investor to purchase Shares by delivering an Advance Notice to the Investor, subject to the satisfaction of all the conditions set forth in Section 7.01, and in accordance with the following provisions:

(i) The Company shall, in its sole discretion, select the amount of the Advance, not to exceed the Maximum Advance Amount, it desires to issue and sell to the Investor in each Advance Notice and the time it desires to deliver each Advance Notice.

(ii) There shall be no mandatory minimum Advances and no non-usages fee for not utilizing the Commitment Amount or any part thereof.

(b) Date of Delivery of Advance Notice. Advance Notices shall be delivered in accordance with the instructions set forth on the bottom of Exhibit A. An Advance Notice shall be deemed delivered on (i) the day it is received by the Investor if such notice is received by email on or before 8:30 a.m. Eastern Time (or later if waived by the Investor in its sole discretion), or (ii) the immediately succeeding day if it is received by email after 8:30 a.m. Eastern Time, in each case in accordance with the instructions set forth on the bottom of Exhibit A.

(c) Advance Limitations. Regardless of the amount of an Advance requested by the Company in the Advance Notice, the final number of Shares to be issued and sold pursuant to an Advance Notice shall be reduced (if at all) in accordance with each of the following limitations:

(i) Ownership Limitation; Commitment Amount. At the request of the Company, the Investor will inform the Company of the amount of shares the Investor currently beneficially owns. Notwithstanding anything to the contrary contained in this Agreement, the Investor shall not be obligated to purchase or acquire, and shall not purchase or acquire, any Common Shares under this Agreement which, when aggregated with all other Common Shares beneficially owned by the Investor and its affiliates (as calculated pursuant to Section 13(d) of the Exchange Act and Rule 13d-3 promulgated thereunder), would result in the beneficial ownership by the Investor and its affiliates (on an aggregated basis) to exceed 4.99% of the then outstanding voting power or number of Common Shares (the “Ownership Limitation”). Upon the written request of the Investor, the Company shall promptly (but no later than the next business day on which the transfer agent for the Common Shares is open for business) confirm orally or in writing to the Investor the number of Common Shares then outstanding. In connection with each Advance Notice delivered by the Company, any portion of the Advance that would (i) cause the Investor to exceed the Ownership Limitation or (ii) cause the aggregate number of Shares issued and sold to the Investor hereunder to exceed the Commitment Amount shall automatically be withdrawn with no further action required by the Company, and such

Advance Notice shall be deemed automatically modified to reduce the amount of the Advance requested by an amount equal to such withdrawn portion; provided that in the event of any such automatic withdrawal and automatic modification, the Investor will promptly notify the Company of such event.

(ii) Registration Limitation. In no event shall an Advance exceed the amount registered under the Registration Statement then in effect (the "Registration Limitation") or the Exchange Cap, to the extent applicable. In connection with each Advance Notice, any portion of an Advance that would exceed the Registration Limitation or the Exchange Cap shall automatically be withdrawn with no further action required by the Company and such Advance Notice shall be deemed automatically modified to reduce the aggregate amount of the requested Advance by an amount equal to such withdrawn portion in respect of each Advance Notice; provided that in the event of any such automatic withdrawal and automatic modification, the Investor will promptly notify the Company of such event.

(d) Minimum Acceptable Price.

(i) With respect to each Advance Notice, the Company may notify the Investor of the MAP with respect to such Advance by indicating a MAP on such Advance Notice. If no MAP is specified in an Advance Notice, then no MAP shall be in effect in connection with such Advance. Each Trading Day during a Pricing Period for which (A) with respect to each Advance Notice with a MAP, the VWAP of the Common Shares is below the MAP in effect with respect to such Advance Notice, or (B) there is no VWAP (each such day, an "Excluded Day"), shall result in an automatic reduction to the amount of the Advance set forth in such Advance Notice by one-third (the resulting amount of each Advance being the "Adjusted Advance Amount"), and each Excluded Day shall be excluded from the Pricing Period for purposes of determining the Market Price.

(ii) The total Shares in respect of each Advance (after reductions have been made to arrive at the Adjusted Advance Amount, if any) shall be automatically increased by such number of Common Shares (the "Additional Shares") equal to the number of Common Shares sold by the Investor on such Excluded Day, if any, and the price paid per share for each Additional Share shall be equal to the MAP in effect with respect to such Advance Notice (without any further discount), provided that this increase shall not cause the total Advance to exceed the amount set forth in the original Advance Notice or any limitations set forth in Section 2.01(c).

(e) Notwithstanding any other provision in this Agreement, the Company and the Investor acknowledge and agree that upon the Investor's receipt of a valid Advance Notice the parties shall be deemed to have entered into an unconditional contract binding on both parties for the purchase and sale of Shares pursuant to such Advance Notice in accordance with the terms of this Agreement and (i) subject to Applicable Laws and (ii) subject to Section 3.08 (Trading Activities), the Investor may sell Common Shares during the Pricing Period.

Section 2.02 Closings. The closing of each Advance and each sale and purchase of Advance Shares (each, a "Closing") shall take place as soon as practicable on or after each Advance Date in accordance with the procedures set forth below. The parties acknowledge that the Purchase Price is not known at the time the Advance Notice is delivered (at which time the Investor is irrevocably bound) but shall be determined on each Closing based on the daily prices of the Common Shares that are the inputs to the determination of the Purchase Price as set forth further below. In connection with each Closing, the Company and the Investor shall fulfill each of its obligations as set forth below:

(a) On each Advance Date, the Investor shall deliver to the Company a written document, in the form attached hereto as Exhibit B (each a "Settlement Document"), setting forth the final number of Shares to be purchased by the Investor (taking into account any adjustments pursuant to Section 2.01), the Market Price, the Purchase Price, the aggregate proceeds to be paid by the Investor to the Company, and a report by Bloomberg, L.P. indicating the VWAP for each of the Trading Days during the Pricing Period (or, if not reported on Bloomberg, L.P., another reporting service reasonably agreed to by the parties), in each case in accordance with the terms and conditions of this Agreement. The final number of Shares to be purchased by the Investor at the Closing for such Advance shall equal the sum of (i) the Adjusted Advance Amount which

TABLE OF CONTENTS

shall be purchased at the Purchase Price, plus (ii) the aggregate number of Additional Shares elected to be purchased by the Investor on Excluded Days during such Pricing Period (as contemplated by Section 2.01(d)(ii)) which shall be purchased at the applicable MAP.

(b) Promptly after receipt of the Settlement Document with respect to each Advance (and, in any event, not later than one Trading Day after such receipt), the Company will, or will cause its transfer agent to, electronically transfer such number of Shares to be purchased by the Investor (as set forth in the Settlement Document) by crediting the Investor's account or its designee's account at The Depository Trust Company through its Deposit Withdrawal at Custodian System or by such other means of delivery as may be mutually agreed upon by the parties hereto, and transmit notification to the Investor that such share transfer has been requested. Promptly upon receipt of such notification, the Investor shall pay to the Company the aggregate purchase price of the Shares (as set forth in the Settlement Document) in cash in immediately available funds to an account designated by the Company in writing and transmit notification to the Company that such funds transfer has been requested. No fractional shares shall be issued, and any fractional amounts shall be rounded to the next higher whole number of shares. To facilitate the transfer of the Common Shares by the Investor, the Common Shares will not bear any restrictive legends so long as there is an effective Registration Statement covering such Common Shares (it being understood and agreed by the Investor that notwithstanding the lack of restrictive legends, the Investor may only sell such Common Shares pursuant to the Plan of Distribution set forth in the prospectus included in the Registration Statement and otherwise in compliance with the requirements of the Securities Act (including any applicable prospectus delivery requirements) or pursuant to an available exemption).

(c) On or prior to the Advance Date, each of the Company and the Investor shall deliver to the other all documents, instruments and writings expressly required to be delivered by either of them pursuant to this Agreement in order to implement and effect the transactions contemplated herein.

(d) Notwithstanding anything to the contrary in this Agreement, if on any day during the Pricing Period (i) the Company notifies Investor that a Material Outside Event has occurred, or (ii) the Company notifies the Investor of a Black Out Period, the parties agree that the pending Advance shall end and the final number of Shares to be purchased by the Investor at the Closing for such Advance shall be equal to the number of Common Shares sold by the Investor during the applicable Pricing Period prior to the notification from the Company of a Material Outside Event or Black Out Period.

Section 2.03 Hardship.

(a) In the event the Investor sells Common Shares of the Company after receipt of an Advance Notice and the Company fails to perform its obligations as mandated in Section 2.02, the Company agrees that in addition to and in no way limiting the rights and obligations set forth in Article V hereto and in addition to any other remedy to which the Investor is entitled at law or in equity, including, without limitation, specific performance, it will hold the Investor harmless against any loss, claim, damage, or expense (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Company and acknowledges that irreparable damage may occur in the event of any such default. It is accordingly agreed that the Investor shall be entitled to an injunction or injunctions to prevent such breaches of this Agreement and to specifically enforce (subject to the Securities Act and other rules of the Principal Market), without the posting of a bond or other security, the terms and provisions of this Agreement.

(b) In the event the Company provides an Advance Notice and the Investor fails to perform its obligations as mandated in Section 2.02, the Investor agrees that in addition to and in no way limiting the rights and obligations set forth in Article V hereto and in addition to any other remedy to which the Company is entitled at law or in equity, including, without limitation, specific performance, it will hold the Company harmless against any loss, claim, damage, or expense (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Investor and acknowledges that irreparable damage may occur in the event of any such default. It is accordingly agreed that the Company shall be entitled to an injunction or injunctions to prevent such breaches of this Agreement and to specifically enforce (subject to the Securities Act and other rules of the Principal Market), without the posting of a bond or other security, the terms and provisions of this Agreement.

Section 2.04 Completion of Resale Pursuant to the Registration Statement. After the Investor has purchased the full Commitment Amount and has completed the subsequent resale of the full Commitment

The Company also shall have no further obligation to maintain the effectiveness of the Registration Statement after the 180th day following the earlier to occur of the latest Closing that has occurred or the termination of this Agreement in accordance with its terms.

Section 2.05 Pre-Advance Loans.

The closing of each Pre-Advance Loan shall take place on the date agreed upon by the parties (the date of the closing of each Pre-Advance Loan shall be referred to as the "Pre-Advance Date"). On each Pre-Advance Date (i) the Investor shall pay to the Company the agreed upon principal amount of the Pre-Advance Loan in immediately available funds to an account designated by the Company in writing and transmit notification to the Company that such funds transfer has been requested, and (ii) the Company shall deliver to the Investor a promissory note on terms and conditions to be agreed by the parties (each, a "Promissory Note") in the principal amount of such Pre-Advance Loan, duly executed on behalf of the Company.

Except as would not have a Material Adverse Effect, the Company has not received written notification any unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company and its Subsidiaries know of no basis for any such claim where failure to pay would cause a Material Adverse Effect.

Article V. Indemnification

The Investor and the Company represent to the other the following with respect to itself:

Section 5.01 Indemnification by the Company. In consideration of the Investor’s execution and delivery of this Agreement and acquiring the Shares hereunder, and in addition to all of the Company’s other obligations under this Agreement, the Company shall defend, protect, indemnify and hold harmless the Investor and its investment manager, Yorkville Advisors Global, LP, and each of their respective officers, directors, managers, members, partners, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “Investor Indemnitees”) from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and reasonable and documented expenses in connection therewith (irrespective of whether any such Investor Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys’ fees and disbursements (the “Indemnified Liabilities”), incurred by the Investor Indemnitees or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of the Investor specifically for inclusion therein; (b) any material misrepresentation or breach of any material representation or material warranty made by the Company in this Agreement or any other certificate, instrument or document contemplated hereby or thereby; or (c) any material breach of any material covenant, material agreement or material obligation of the Company contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby. To the extent that the foregoing undertaking by the Company may be unenforceable under Applicable Law, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Law.

Section 5.02 Indemnification by the Investor. In consideration of the Company’s execution and delivery of this Agreement, and in addition to all of the Investor’s other obligations under this Agreement, the Investor shall defend, protect, indemnify and hold harmless the Company and all of its officers, directors, shareholders, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “Company Indemnitees”) from and against any and all Indemnified Liabilities incurred by the Company Indemnitees or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Investor will only be liable for written information relating to the Investor furnished to the Company by or on behalf of the Investor specifically for inclusion in the documents referred to in the foregoing indemnity, and will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with

TABLE OF CONTENTS

written information furnished to the Investor by or on behalf of the Company specifically for inclusion therein; (b) any misrepresentation or breach of any representation or warranty made by the Investor in this Agreement or any instrument or document contemplated hereby or thereby executed by the Investor; or (c) any breach of any covenant, agreement or obligation of the Investor contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby executed by the Investor. To the extent that the foregoing undertaking by the Investor may be unenforceable under Applicable Laws, the Investor shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Laws.

Section 5.03 Notice of Claim. Promptly after receipt by an Investor Indemnitee or Company Indemnitee of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving an Indemnified Liability, such Investor Indemnitee or Company Indemnitee, as applicable, shall, if a claim for an Indemnified Liability in respect thereof is to be made against any indemnifying party under this Article V, deliver to the indemnifying party a written notice of the commencement thereof; but the failure to so notify the indemnifying party will not relieve it of liability under this Article V except to the extent the indemnifying party is prejudiced by such failure. The indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually reasonably satisfactory to the indemnifying party and the Investor Indemnitee or Company Indemnitee, as the case may be; provided, however, that an Investor Indemnitee or Company Indemnitee shall have the right to retain its own counsel with the actual and reasonable third party fees and expenses of not more than one counsel for such Investor Indemnitee or Company Indemnitee to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Investor Indemnitee or Company Indemnitee and the indemnifying party would be inappropriate due to actual or potential differing interests between such Investor Indemnitee or Company Indemnitee and any other party represented by such counsel in such proceeding. The Investor Indemnitee or Company Indemnitee shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Investor Indemnitee or Company Indemnitee which relates to such action or claim. The indemnifying party shall keep the Investor Indemnitee or Company Indemnitee reasonably apprised as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Investor Indemnitee or Company Indemnitee, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Investor Indemnitee or Company Indemnitee of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Investor Indemnitee or Company Indemnitee with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The indemnification required by this Article V shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received and payment therefor is due.

Section 5.04 Remedies. The remedies provided for in this Article V are not exclusive and shall not limit any right or remedy which may be available to any indemnified person at law or equity. The obligations of the parties to indemnify or make contribution under this Article V shall survive expiration or termination of this Agreement for a period of three years. Notwithstanding anything to the contrary under this Agreement or Applicable Laws, no party shall be entitled to any indemnification pursuant to this Article V (other than claims for any damages resulting from fraud) until the aggregate amount of all such damages that would otherwise be indemnifiable to such party equals or exceeds \$25,000 (the "Basket"), at which time such party shall be entitled to indemnification for the full amount of all damages (including all damages incurred prior to exceeding the Basket).

Section 5.05 Limitation of liability. Notwithstanding the foregoing, no party shall be entitled to recover from the other party for punitive, indirect, incidental or consequential damages.

No fractional shares shall be issued, and any fractional amounts shall be rounded to the next higher whole number of shares. To facilitate the transfer of the Common Shares by the Investor, the Common Shares will not bear any restrictive legends so long as there is an effective Registration Statement covering such Common Shares (it being understood and agreed by the Investor that notwithstanding the lack of restrictive legends, the Investor may only sell such Common Shares in compliance with the requirements of the Securities Act (including any applicable prospectus delivery requirements) or pursuant to an available exemption).

To the extent that the foregoing undertaking by the Company may be unenforceable under Applicable Law, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Law.

Section 6.02 Indemnification by the Investor. In consideration of the Company's execution and delivery of this Agreement, and in addition to all of the Investor's other obligations under this Agreement, the Investor shall defend, protect, indemnify and hold harmless the Company and all of its officers, directors, shareholders, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Company Indemnitees") from and against any and all Indemnified Liabilities incurred by the Company Indemnitees or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Investor will only be liable for written information relating to the Investor furnished to the Company by or on behalf of the Investor specifically for inclusion in the documents referred to in the foregoing indemnity, and will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Investor by or on behalf of the Company specifically for inclusion therein; (b) any misrepresentation or breach of any representation or warranty made by the Investor in this Agreement or any instrument or document contemplated hereby or thereby executed by the Investor; or (c) any breach of any covenant, agreement or obligation of the Investor contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby executed by the Investor. To the extent that the foregoing undertaking by the Investor may be unenforceable under Applicable Laws, the Investor shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Laws.

Section 6.03 Notice of Claim. Promptly after receipt by an Investor Indemnitee or Company Indemnitee of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving an Indemnified Liability, such Investor Indemnitee or Company Indemnitee, as applicable, shall, if a claim for an Indemnified Liability in respect thereof is to be made against any indemnifying party under this Article VI, deliver to the indemnifying party a written notice of the commencement thereof; but the failure to so notify the indemnifying party will not relieve it of liability under this Article VI except to the extent the indemnifying party is prejudiced by such failure. The indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually reasonably satisfactory to the indemnifying party and the Investor Indemnitee or Company Indemnitee, as the case may be; provided, however, that an Investor Indemnitee or Company Indemnitee shall have the right to retain its own counsel with the actual and reasonable

The Investor Indemnitee or Company Indemnitee shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Investor Indemnitee or Company Indemnitee which relates to such action or claim. The indemnifying party shall keep the Investor Indemnitee or Company Indemnitee reasonably apprised as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Investor Indemnitee or Company Indemnitee, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Investor Indemnitee or Company Indemnitee of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Investor Indemnitee or Company Indemnitee with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The indemnification required by this Article VI shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received and payment therefor is due.

Section 6.04 Remedies. The remedies provided for in this Article VI are not exclusive and shall not limit any right or remedy which may be available to any indemnified person at law or equity. The obligations of the parties to indemnify or make contribution under this Article VI shall survive expiration or termination of this Agreement for a period of three years. Notwithstanding anything to the contrary under this Agreement or Applicable Laws, no party shall be entitled to any indemnification pursuant to this Article VI (other than claims for any damages resulting from fraud) until the aggregate amount of all such damages that would otherwise be indemnifiable to such party equals or exceeds \$25,000 (the “Basket”), at which time such party shall be entitled to indemnification for the full amount of all damages (including all damages incurred prior to exceeding the Basket).

(C) Reference is made to the letter agreement entered into between the parties on October 5, 2022 (the “Letter Agreement”) regarding the ability of the Company to submit sales orders, and consummate sales pursuant to the August 8, 2022 Equity Distribution Agreement (the “Equity Distribution Agreement”) entered into by an among the Company, Evercore Group L.L.C. and H.C. NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company and the Investor hereby agree as follows:

1. Third Pre-Paid Advance Amount

1.1. The Company has requested, and the Investor has agreed to, a third Pre-Paid Advance in the amount of \$21,300,000 (the “Third Pre-Paid Advance”). The Third Pre-Paid Advance shall be governed by the terms and conditions of the Pre-Paid Advance Agreement, except as set forth in this Agreement. *Solely with respect to the Third Pre-Paid Advance*, the parties hereby agree as follows:

(a) The Pre-Advance Date in respect to the Third Pre-Paid Advance shall be November 10, 2022.

(b) The Purchase Price shall mean the lower of (a) a price per share equal to 110% of the VWAP on the Trading Day immediately prior to the Pre-Advance Date of the Third Pre-Paid Advance (the “Fixed Price”), or (b) 95% of the lowest daily VWAP during five Trading Days immediately preceding each Purchase Notice Date, but not lower than the Floor Price.

(c) The following provisions solely with respect to the Third Pre-Paid Advance shall replace Section 2.03(c) (Triggering Date) of the Pre-Paid Advance Agreement:

Premium in respect of such amount, and all accrued and unpaid interest in respect of the Third Pre-Paid Advance on the 10th calendar day after the Triggering Date.

(e) Section 3.01(h) of the Pre-Paid Advance Agreement shall not apply in respect of the Third Pre-Paid Advance.

(f) The Company hereby agrees to pay the Investor a commitment fee of \$1,087,000, which amount shall be deducted by the Investor from the proceeds of the Third Pre-Paid Advance.

(a) Solely with respect to the Third Request, the Investor hereby waives the application of the conditions precedent set forth in Section 2.02(d), Section 2.02(i) (solely with respect to the market value requirement), and Section 2.02(k).

(b) The right of the Company to request the Third Pre-Paid Advance, and the obligations of the Investor to advance to the Company the amount of such Pre-Paid Advance shall be subject to the Company having raised at least \$10.0 million of equity financing prior to or concurrently with the closing of the Third Pre-Paid Advance.

1.3 Additional Agreements.

(a) The Company shall call and hold an annual or special meeting of its shareholders on or before February 1, 2023, and shall obtain Board of Director approval to file any proxy statement for such meeting on or before November 14, 2022, for the purposes of: (i) obtaining the consent of the shareholders of the Company pursuant to Nasdaq Listing Rule 5635(d) for the issuance of all shares of its Common Stock that could be issued pursuant to the Pre-Paid Advance Agreement (such consent, "Shareholder Approval"), and (ii) obtaining the consent of the shareholders to amend the Pre-Paid Advance Agreement to provide for a Floor Price of \$0.50 per share; the recommendation of the Company's Board of Directors shall be to vote in favor of each such proposal, and the Company shall solicit proxies from its shareholders in connection therewith and management-appointed proxyholders shall vote their proxies in favor of each such proposal. (c) Notwithstanding the terms of the Letter Agreement, but subject to the Company's payment obligations set forth in Section 1.3(b) hereof, the Company hereby agrees that it shall not submit sales orders, or consummate any sales pursuant to such orders, pursuant to the Equity Distribution Agreement from the date of this Letter Agreement until the later of (i) November 17, 2022 and (ii) two trading days after the filing by Tony Aquila (CIK: 0001399053) of a Form 4 pursuant to Section 16 of the Exchange Act in connection with the equity financing referred to in Section 1.2(b) hereof (such date, the "ATM Release Date").
